# Welcome

The first workspace week was held February 2017 and we're back with a sequel!

Plymouth Workspace Week 2018 will be bigger and better between Monday 19 March – Friday 23 March 2018 so save the dates.

Each serviced office/incubator/coworking space in Plymouth will be opening their doors to celebrate all that is great about flexible workspace in Britains Ocean City.

Most of Plymouth Workspace Week is free or at a big discount, check out our social media and website for updates. This year we have adopted various pubs and bars around the city for more entertaining evening events and a chance to be productive outside work.

This event is ideal for anyone self-employed, or wanting to start a new business, especially those working from home facing distractions or boredom. It's also a good opportunity for larger businesses to place a few members of staff in a collaborative workspace for a week to see what new ideas they bring back to the office once the week ends!
