NEW 2019 FOOD COMPOST PILOT PROGRAM IN STURTEVANT

WE NEED YOU TO HELP MAKE A DIFFERENCE!

Do you realize that 30% of what goes into the landfill is food?
Here's your opportunity to keep material out of the landfill.

Three easy steps:

*Sign up and pay your \$25 annual fee and receive a 3 gallon bucket and an initial supply of compostable bags.

*Put the compostable bag in the bucket and begin collecting all your food scraps (except raw meat) in the bucket.

*Remove the full bag from the bucket and drop off at a central collection site at the Sturtevant Village Hall.

Want to learn more?

Come to an Informational meeting/Sign-up:

Sturtevant Village Hall

Thursday, January 10, 2019 at 7:00pm

Refreshments will be served
