

The poster features a green and white color scheme. At the top right, a green banner reads "Free Event!". The main title "Ecofest Racine" is prominently displayed in green and brown. Below the title, the event details are listed: "Saturday, March 16, 9 am - 1 pm, Gateway Technical College, Racine Campus, 1001 S. Main Street". A list of activities includes sustainability presentations, children's activities, an art exhibit, and electronics recycling. Three hexagonal images show people engaged in various activities: one with children, one with people examining plants, and one with people working on electronics. The Gateway Technical College logo is at the bottom right.

TECHNICAL COLLEGE

Sturtevant Beautification is again one of the sponsors for EcoFest 2018 to be held on Saturday, March 16. We invite all residents to join us at Gateway Technical College for a morning filled with fun and important environmental information from over 50 vendors. One of the presentations will include Sturtevant's Pilot Food Compost project.
