

**GEOD** CORPORATION

AERIAL MAPPING · LAND SURVEYING · UTILITY MARKOUTS  
A CERTIFIED SMALL BUSINESS ENTERPRISE

For our **Fall 2017** newsletter, you were asked what **symbol comes next in the sequence of the five symbols in the illustration?**

**Next Symbol (solution)**

As shown in the illustration each figure in the sequence is formed of one of the numerals 1 through 5 and its mirror reflection joined together as the right and left parts of the figure. The vertical lines of symmetry are shown in red.

Thus the sixth figure has to be the 6 combined with its mirror reflection as shown.

**Jim Morrissey of Savin Engineers** was drawn at random from the responses received and will receive a \$200 Best Buy Gift Card. Congratulations Jim!

**Thanks to everyone who participated!**
