

**Yang 24 Forms Certification Workshop  
Fri. & Sat., August 24 & 25**

**Location: To be confirmed, but probably Charlotte or Vergennes**

Marty Kidder will be leading this workshop to help us become qualified to teach Yang 24 forms movements. Anne Bower will assist.

It will be up to Marty to decide, at the end of the two days, if we're ready for certification or need additional work before that can happen. We'll all receive certificates, and it's likely most will get Full Certification. However, it's possible some will get a Provisional Certification with instructions about how to improve and become fully certified.

Friday, August 24<sup>th</sup> will be devoted to the form itself.

On Saturday, August 25<sup>th</sup>, we'll continue working on the form, but give emphasis as well to teaching Yang. People wishing to attend on Saturday only to learn (not certify) will be able to join us for \$50. We will ask you to spread the word to others about this opportunity. We will all share in teaching them as part of our certification process.

*Please send both pages of this form to Anne Bower:*

List below your prior Tai Chi learning experience (certifications and classes taken):

List below your previous Tai Chi teaching experience (any form) and the agency for which you taught as a volunteer:

Please note below any particular concerns you have about the Yang 24 forms certification workshop:

Tai Chi Vermont will provide snacks and beverages during the workshop but we ask that you bring (or buy nearby) your own lunch.

#### Workshop Cost and payment system

If you are affiliated with one of the Area Agencies on Aging or SASH, please check with them to see if they will cover the \$250 cost of this certification in full or in part. Indicate below what support they are offering. Tai Chi Vermont is working hard to create a Training and Scholarship Fund and may be able to offer some scholarships (up to 50% of a workshop cost). If you believe you'll need a scholarship, please contact Anne and we'll let you know the procedure.

If you are affiliated with another agency or organization (non-AAA/non-SASH), again, check to see how much financial support they'll offer. Provide billing information below and we can invoice them.

If you plan to pay for the workshop on your own, please make out your \$250 check to Tai Chi Vermont and send to Tai Chi Vermont, P.O. Box 74, S. Pomfret, VT 05067.

Tai Chi Vermont, Inc. is a nonprofit organization dedicated to training, certifying, and mentoring Tai Chi instructors throughout the state. We work with the state's five Agencies on Aging, SASH (Support and Services at Home), and other organizations so that instructors can offer Tai Chi classes throughout the state.
