Participants in this workshop are expected to practice the Level Two (“brush knee” sequence to left and right) using disc 2 of the DVD set provided for an earlier workshop. Practicing BEFORE this workshop will allow for maximum learning during the actual workshop.

Please check here to indicate you understand this \_\_\_\_\_.

During the workshop we will focus on knowing these movements, review the Level One (“Basic Movements”) and continue improving our teaching techniques, making sure we model all movements safely and effectively.

Tai Chi Vermont will provide snacks and beverages during the workshop. However, you'll need to bring your own lunch (or you can buy it nearby during the lunch break).

Your Tai Chi Vermont certification will be good for two years from the date of this workshop. During this two year period, you are entitled to take any of our quarterly “Skillbuilder” workshops. These provide Tai Chi practice and often focus on special aspects of the forms and teaching them; they also provide a fun way to network with other instructors and learn from each other.

Workshop Cost (includes snacks during workshop and free Skillbuilder workshops during the two year term of certification):

For those affiliated with an Agency on Aging or SASH, your agency will be billed for your participation, but it's always good to check with them to make sure about this.

For those affiliated with neither an Agency on Aging nor SASH, the fee is \$150.

For those who have *previously been certified in Level Two*, you can take this workshop as a refresher (and be newly certified for another two years). Cost is \$62.50.

Please check with your agency or employer to make sure they will support this cost.

Please understand that we strive to ensure that everyone learns the teaching method and tai chi movements well enough to receive full certification at the end of our day. However, occasionally someone isn't quite ready, so we will award a provisional certificate that includes information about what to do in order to convert that to a full certificaton.

Tai Chi Vermont, Inc. is a nonprofit organization dedicated to training, certifying, and mentoring Tai Chi instructors throughout the state. We work with the state's five Agencies on Aging and SASH (Support and Services at Home) so that volunteer instructors can offer Tai Chi classes in their service areas and facilities.
