# October news LETTER

10am Worship Service

.... we welcome you all to worship God and celebrate His presence with us this morning. May you experience God's love afresh today.

If you are a visitor with us we extend a special welcome to you and hope you enjoy our service. We invite you to stay for coffee and a chat afterwards.

On Sunday mornings (except during the school holidays) our Children's Church runs for 4-12 year olds. Your child is most welcome to join in. We have a crèche room (Tect) for mums and babies, and under two's, in the lounge area. You can watch and hear the service on TV.

If you have any questions or would like to know more about us, please don't hesitate to ask.

We also invite you to fill in the visitor's slip, given to you by the Door Greeter, and place it in the offering bag.
