

Anthony joined The O.C.E.O. Foundation, Inc. in 2015. He has been in the full-time ministry for 22 years and truly enjoys helping people. He is currently the lead minister of the Capital City Church of Christ. His ministry experience has carried him throughout many different parts of the world. Anthony enjoys being part of #TeamOCEO and has a deep passion for this community. He is originally from Tallahassee and lives here with his wife of 24 years and their teenage son and daughter.

*“I love the wonderful opportunity I have to be part of such an important team. The challenge of reintegration into society has been one that I have come to understand and believe that it takes a village to provide the proper encouragement, support, resources and vision to make the dream a reality. I am humbled and thankful to be on this team.” – A.B.*
