

Black Canyon Camera Club

Minutes of the Meeting July 11, 2017 Delta, Colorado

Small attendance: Joe, Diane, Jaquita, Rae Ann, Frank, myself and newby, John Dunn. Tom came in long enough to give us chocolate and left (his prize from the show).

- Rae Ann reported \$1,825.12 in checking and \$575. in Pay Pal.
- Web page was updated by Chuck using some of Jaquita's photos. He has been in CA with his son who just had a surgical procedure.
- Our space at the Creamery is open to any member. Just let Jaquita or Diane know if you want to include your work... an inventory sheet needs to be turned into the Creamery by the 15th of the month.
- Change Out at the Delta Courthouse is July 28 th, from 2pm to 4. Let Rae Ann know if you will be bringing any pictures.
- Hotchkiss Fine Arts may want to join with us and DFA to do programs. Jaquita and Diane are members.
- Activities: Gunnison Museum on Aug 22nd. We agreed all need to be there at opening (9am) to get the group rate, (\$5.00). I think it is about 2 hours from Delta. We can stay till 5pm when they close.
- We talked about upcoming field trips... Yankee Boy Basin; Buffalo ranch and if we want Denise Bush to do an educational program on Long Exposure Photography or even our recent judge, Steve Swartz, come do a program. Nothing decided since we had so few.
- Fund Raiser discussion: Diane knows a guy who owns a winery. We could sell tickets for a combined photography show and wine tasting. We would have to set up outside under canopies. We have 3 pop up tents so far. Photographers would not have to pay to enter their photos. Maybe in Sept or October?
- Our newby wanted to know what kind of printers everyone had... lot of sharing. Then we shared our photos we brought- really nice ones from Diane and Rae Ann from the recent Plein Aire contest at Stoney Mesa Winery. (Rae Ann took first place). Course Joe's and Jaquita's were outstanding too.
