We are empty and waiting, for you alone
We are broken in need of your loving arms
We were orphans all searching
but found a home
We were breathless so you breathed
into our lungs

We invite you in,
God we want you near

Chorus

Holy Spirit Come
Fill us with fire
Holy Spirit Reign
Our praise lifted higher

We are desperate
O Father please have your way
We are hungry for more lord you fill our plate

Chorus

Holy Spirit Come
Fill us with fire
Holy Spirit Reign
Our praise lifted higher
Holy Spirit Come
Pour Our Revival
Holy Spirit Reign
Our Burning Desire

Your fragrance is heaven to me
Your presence washes over me,
like the mighty sea
Your fragrance is heaven to me
Your presence washes over me,
like the mighty sea
