

Collide [Lyrics, 92 bpm, 4/4]

[Marathon Worship]

Chorus

Heaven come down
let our praise arise, fill us up now
collide with our hearts as you pour out
your passion like fire on us
come now, come down

Instrumental

Verse

here we are now
we're expecting something great
you're alive now, let your spirit fill this place
we won't be shaken God you're right beside us
our tongues will shout your praise

Verse 2

we will seek you
God you won't abandon
you never leave us, bringing us from death to life
filled with joy as we stand in your presence
you are making us your bride

Bridge

Spirit move, come and fall
on your sons and on your daughters

Last time through

Spirit move, come and fall
on your sons and on your daughters
