

# Matlock Cricket Club Junior Section

## Season sets off with a bang

A big thanks to all parents – for bringing the players along last Friday and also to the players themselves, who did Matlock proud. 3 wins out of 4 isn't a bad way to get the season going. This only reflects the hard work that all the players have put in during the close season and with improvements still to come we should be competing with the best of them at the end of the season – KEEP UP THE GREAT WORK.

Child Welfare Officers

Steve Webster : 07834 453375.

Andrea Rowan: 07833 568936

## BEER FESTIVAL

An item for your diary.

After last seasons successful festival, the event is returning on **3rd June 2017**. To be held at the cricket club. The evening will follow a similar relaxed and enjoyable format to last year and will include a Pie & Pea supper included within the ticket price. Which are £10 for adults and £5 for those U18. Tickets are available from "Kick Off" in town, Ray Mullaney or ask at the bar.

## Catering at home matches

We have been allocated two home evenings this season and for those who went to Belper last week you will see that besides cricket there is also the opportunity to help raise funds for the club through the sales of snacks. Please let Peter know if you are willing to help out on either Friday 9th June or Friday 7th July when we host the evening. Do you have a BBQ that we could borrow for the night to help with burgers and hotdogs?

## Coach trip to watch a Derbyshire T20 match

The club are planning to organize a subsidized trip to a cricket match at the County Ground at Derby – Juniors go free. To confirm numbers could you please indicate to Peter, Tim or Ray if you are interested

## ALL STARS CRICKET

Matlock CC are involved in a new initiative, run between the English Cricket Board and cricket clubs which is aimed at attracting new players and targets the younger player (between 5 yrs and 8yrs old). If you have friends or family with children in this age range and you think they would enjoy keeping fit, learning new skills and meet new friends then tell them to log in to "all stars cricket" on the ECB website and see what it's all about, Matlock already has youngsters signed up – the more the merrier..

## HELP WITH CAR PARKING

A big thanks to the Rowan family who volunteered their services last Sunday for car parking duty. This is, as always, a valuable source of income to the club and one that helps keep the club afloat.

If there is anyone available during the Spring Bank holidays please let either Peter or Ray know and we will gratefully find you a slot to help out with.
