Abrasion: 400,000 Double Rubs

Flammability

CATB 117
NFPA 260-Class-1
UFAC Class-1

ONE LESS THING TO WORRY ABOUT!

Modern technology meets comfort and sophistication with Crypton Home Fabric. Soft, durable, and stain-resistant, Crypton Home Fabric is available in a wide array of textures and vibrant colors. And Crypton's breakthrough protection is woven into every fiber so it won't ever wear away. Crypton, where beauty meets durability.

For more detailed cleaning information, visit cryptonathome.com

We also added a stack book put together with fabrics of Crypton Home Fabrics.

What is Crypton Home Fabrics?

Easy Clean:

Crypton Home Fabrics is super easy to clean. It is not self cleaning. Most liquid spills will simply blot off the surface with a dry towel. For more difficult stains just follow these simple spot-cleaning instructions:

- Wipe away excess mess using a clean dry towel
- Mix a simple soap and water solution
- Apply and agitate with a soft bristle brush
- Blot with a clean towel
- Rinse thoroughly and repeat if necessary

We recommend mixing 1 tsp enzyme laundry detergent, like Tide or Cheer with 2 cups warm water. And remember, soap attracts dirt, so rinse thoroughly.

Soft • Durable • Easy to Clean • Resists Stains and Odors

Green Guard Gold Certified Technology
