

Glenn R. Adams, - 57, Lake Echo, passed away Monday, July 7, 2008, in the Halifax Infirmary

Born in Toronto, he was the son of the late Kenneth Thomas Adams and June (Cox) Adams. He joined the military May 1974 as a radar plotter; re-mustered to Clearance Diver in September of 1977 and stayed in the trade until retiring from the regular force in January 2005. Glenn had a great sense humour and enjoyed sharing a story with his friends over a cold one. He will be sorely missed by his colleagues and friends. He enjoyed reading and loved being a goaltender until his equipment went out of date. All those who knew him, smile at his memory, especially when remembering his 'dive briefs'. He is survived by his wife of 32 years, Iris, Toronto, Ont.; uncle, Cliff Adams. He was predeceased by his sister, Susan; his dog and best friend, Buddy. Cremation has taken place. Memorial service was 9 a.m. Friday, July 11, at Fleet Diving Unit Atlantic, Shearwater, Padre Bruce Murphy officiating. Reception followed.

WE CAN "DOCTOR" THESE TIMES A BIT,
GLEN, BUT NO ONE WILL BELIEVE
AN EAST COASTER WENT THAT DEEP!
FOR THAT LONG. . . !!
