Gilets

Our Gilets are an integral part of our range. Cycling in the UK you can never be sure of the weather so the Gilet is perfect as it is compact and practical for multiple weather conditions.

Wincanton Wheelers Gilet Design

Lightweight shell vest or gilet. Designed to be folded or rolled into your jersey pocket with ease. Windguard wind resistant front fabric, perfect as a packable layer to be pulled out mid-ride for extra protection.

WindGuard Vest—£47
WindGuard Jacket—£53

Designed to be worn for the entirety of your ride when the temperature is cooler but all you need is a vest over your riding jersey. Heavier and warmer than our CS Wind Guard Jersey but not as heavy as our Thermoshield Winter Vest.

Intermediate Wind Vest—£54

Our ThermoShield fabric is a three layer construction to provide the best cold weather protection. This gilet is designed to be worn for the duration of the ride when cold weather demands additional layering.

Thermoshield Vest—£91

Designed and produced specifically for our UCI ProTour Teams. Take our updated Repel jacket featuring the new DvAlpine eVent all weather fabric, remove the sleeves to make a compact, lightweight all weather vest.

Repel Vest—£174
Repel Jacket—£185

Jackets

For when the weather gets colder in the winter months our jackets are here to keep you thermo-regulated.

This jacket is made from our exclusive ThermoShield, wind resistant material that is lined with a brushed fleece for premium comfort. Our ThermoShield fabric is a three layer construction to provide the best cold weather protection.

Thermoshield Winter Jacket—£114

The Weather Guard Long Sleeve Jersey was developed in conjunction with our UCI ProTour teams. This is a high-end, weather proof, warm jersey which can be fully customised. Get the same protection as the pros demand whilst keeping your design and brand consistent no matter the weather. Made entirely from Italian fabric

Weather Guard S/S Jersey—£140

Weather Guard L/S Jersey—£168

The Apex Winter Shield Fleece Jacket is constructed in our new anatomic cut to maximize warmth, performance and comfort whilst on the bike. In conjunction with our Italian suppliers, eVent™ we have sourced a 3 layer bonded winter fleece fabric, called CS Winter Shield, that keeps the rider warm in cold conditions, but it is able to breathe and remove moisture under intense riding conditions.

Apex Winter Shield Fleece—£160

Racing in cold spring classics and mountain top passes during the Giro called for a premium, high end performance winter jacket for the Lampre-Merida cycling team – so we created the Champion System APEX Winter Shield Pro Jacket. It's our superior heavy winter jacket. The APEX Winter Shield Pro jacket is constructed in our new anatomic cut to maximise warmth, performance and comfort. This jacket can handle the coldest conditions.

Apex Winter Shield Pro—£220
