ANOTHER STEP IN YOUR MASONIC JOURNEY

By Steve Johnston

During our time in Masonry, our travels take us on many journeys where we have the opportunity to learn and grow as men and Masons. Along our way, we explore the rich history of our fraternity from its origins to present times. Somewhere along your journey, you have probably heard about DeMolay. Perhaps your Lodge has a DeMolay Chapter, or maybe you know a brother who is fortunate enough to be a DeMolay advisor. But what do you really know about DeMolay? What does this youth organization do? What are their beliefs, and what do they stand for? And who, or what is DeMolay?

The Arizona DeMolay State Association would like to offer you the opportunity to add to your Masonic journey, and enrich your experience in Masonry by inviting you to witness who they are and what they are all about. Join Arizona DeMolay on March 9, 2019 for their centennial celebration, as they induct several new members, as well as honor Most Worshipful Grand Master of Arizona, Mr. Craig Gross. You will have the opportunity to learn the origins of DeMolay, the best organization for young men age 12 to 21. As a bonus, you will also witness amazing ritual organized and run by members of DeMolay from all over the State of Arizona.

The DeMolay Induction ceremony, or "DeMolay Degree," is among the most impressive ritual experiences that you can witness, and Arizona DeMolay is honored to recognize Arizona's Grand Master at this performance.

Leave Your Masonic Legacy

We need to build the Grand Lodge of Arizona Foundation, Inc. (GLOAF) endowment for you and I now and for future generations. Your gift will further the Masonic and other charitable purposes of our fraternity. A substantial endowment will decrease the reliance and pressure on per capita fees and annual giving. Besides an estate gift, other options include required minimum distributions from an IRA, stock, gifts that pay income to you, life insurance and more.

Please consider GLOAF as part of your estate planning. For more information contact the Grand Lodge office at (602) 252-1924.

AGE...

When you get around to ponder just what age is, turn the pages of discussion, and you will get a different idea from every page. Mark Twain may have said it first; "Age is an issue of mind over matter...If you don't mind, it doesn't matter". One tends to consider age through the filter of physical condition at the number of years you own at the time. Facts seem to indicate that growing older doesn't equate to getting old. Try believing that old age is always at least ten years ahead, and carry the spirit of the child into the older ages, keeping enthusiasm intact.

Improving with age involves reliving the past power of growth and achievement, and the continuous education of learning from each passing year. You should be able to replace your youth with wisdom, youthful enthusiasm with understanding, and earlier questions with actuality. Aging is not losing youth, but seeing new forms of opportunity. The simplest definition might just be, in youth we learn, in age we understand. To make a success of age, you must start young.

NOW. "SEARS GETS FINAL SHOT AT SURVIVAL NEXT WEEK"

"Billionaire Edward Lampert will get one last chance to keep Sears Holdings Corp. from closing down..."

Wall Street Journal, January 9, 2019

Then. SEARS, ROEBUCK, CATALOGUE #117 - 1908

Richard Warren Sears was born in Stewartville, Minnesota in 1863. In 1866, while serving as Station Agent at North Redwood, Minnesota, a local jeweler refused a shipment of watches. The shipper offered them on consignment to Sears. The deal proved so profitable that he ordered more watches for resale through other Station Agents, reaching the point in a few months where he quit the railroad to set up a full time mail order business. In 1887 he moved the business to Chicago to take advantage of better transportation facilities and a more central location for his burgeoning business. Within a month of his arrival in Chicago, Sears advertisement for a watch repair man was answered by Alvah Curtis Roebuck of Hammond, Indiana. A series of business logistic gyrations took its toll on Roebuck, who decided to sell out and retire in 1895. The first catalog appeared in 1891 consisting of 32 pages of watches quickly growing over the years to 1,184 pages in 1908.

Imagine these prices for these MASONIC items:

Ring: Solid Gold Emblem - \$4.12; with diamonds - \$6.60

Charm: Gold filled - \$2.15

Locket: Solid Gold, stone center, Masonic price - \$3.40

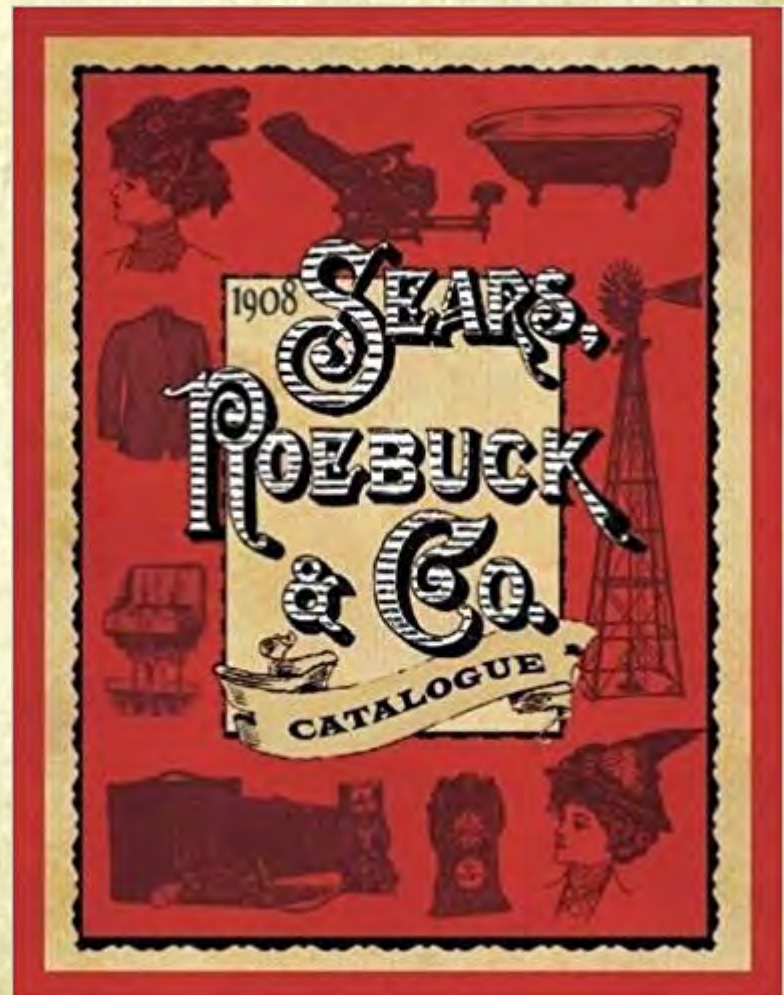

Jewell: Blue, enameled, gold filled, Masonic price - \$1.10; Same style but cheaper quality - .88

Pins: Gold filled, enameled & engraved .43 or Solid Gold - .68.

WHERE OH WHERE IS The "DAM BOX"....

Believe it is time for The "DAM BOX" 's existence and location be made known to all of our Arizona Lodges.

The "DAM BOX", although badly charred, survived the fire that destroyed Winslow Lodge. The "Dam Box" originated with Glen Canyon Lodge, which was started by the builders of the Glen Canyon Dam on the Colorado River. This dam formed Lake Powell. The "DAM BOX" was to be a traveling presentation, inducing the recipient lodge to travel to another lodge and present it to them and instruct them that they were to travel to another lodge and present them with the "DAM BOX" and to repeat the event. It is my understanding that when Glen Canyon Lodge surrendered their charter, Winslow Lodge 13 inherited the "DAM BOX". At some time in the past Winslow sneaked it into Sy Harrison Lodge (Payson Lodge?), who in turn sneaked it into Apache Lodge. Travels from that time until it was found in the rubble of the destroyed lodge is unknown.

On July 9th, 2018, 11 Sy Harrison Lodge Brothers traveled to Winslow and presented Winslow Lodge #13 with a box to carry and display the "DAM BOX". Brothers making the trip were WBrothers John Elliott, John Brooks, Bruce Halverson and Tom Jones; Brothers Forrest McCoy, Jim Muhr, Herb Dwyer, Bob Harkey, Tom Taylor John "Turtle" Chubbuck

and Jim Gier, Master SHL 70.

Now, there is a travel log attached to the box used to carry the "DAM BOX" so that its travels can be tracked..... Where, oh, where is the "DAM BOX" now?

Fraternally,

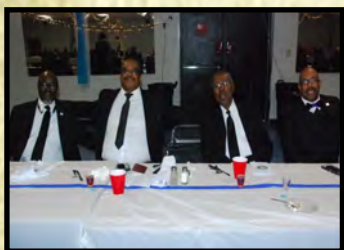

Jim Gier, PM

DAVE JOHNSON MEMORIAL CLOTHE A CHILD WITH WHITE MOUNTAIN LODGE NO. 3

On Saturday, December 8, White Mountain Lodge No. 3 F. & A.M. held its annual Clothe A Child at Beall's Outlet in Globe Arizona. The Lodge bought clothes for approximately 24 children ages five (5) to ten (10) years old. Half of the children were from Globe Schools and the other half were from Destiny School. This program has been held every year for more than fifty (50) years. Dave Johnson was a longtime supporter and upon his passing asked that donations continue to be made to Clothe a Child. The program operates on donations raised throughout the year through the Lodge and via local businesses. The local Beall's Outlet has participated every year by opening early for the event, giving the run of the store to the kids and by giving special discounts.

GEORGE WASHINGTON MEMORIAL

The George Washington Masonic National Memorial stands as the most distinguished monument to Washington ever build by a private organization -THE MASONS

Erected in the 1920s and 30s, it soars 333 feet as a beacon of Light and knowledge, educating and inspiring all who visit it. Recognized in 2015 as a National Historic Landmark, the Memorial is one of the most impressive and iconic buildings in the area around our nation's capital. Our new fundraising endeavor, The Landmark Century Campaign, aims to support a thorough restoration of the Memorial. And we can help!

Today, the Memorial is a museum like no other in the world. Everything we do revolves around our vision: "to inspire humanity through education to emulate and promote the virtues, character and vision of George Washington, the Man, the Mason, and Father of our Country." Open seven days a week, the Memorial offers

detailed exhibits and guided tours that teach the general public about George Washington, his life and virtues, and the role that Freemasonry played throughout his life. Further, the Memorial is an important space for the performing arts, social gatherings, public events, and educational seminars. And, of course, it is an active

Masonic temple, housing two Craft lodges and regularly hosting visiting lodges from around the country. The Memorial is a central hub connecting Masons to one another, and connecting the Craft to the public, our nation, and our world

For the past decade, the Memorial Association has devoted tremendous energy and resources to the renovation of the Memorial. Major exhibits have been added. Interiors have been repaired and repainted. Lighting has been updated. But the most considerable work is the top-to-bottom restoration of the building itself—the first such renovation since the Memorial was completed nearly a century ago.

Beginning at the Memorial's pyramid level, we have begun a multi-year project to perform all needed structural repairs. Stone by stone, are repointing the mortar and protecting the building from water penetration. When completed, the building will be in better than new condition.

Having a tree planted on the grounds of the George Washington Masonic National Memorial is an excellent way to honor an important individual in your life. And it's also a great way to express thanks to an organization, such as a Lodge or Chapter. For a donation of \$750, the tree will be cared for in perpetuity, and a handsome stone marker placed near the tree will communicate your dedication.

Your generous help
is essential in
reaching that goal.

The Society of Washington Lodges is for regular Lodges (recognized by the Grand Lodges of the United States) who are committed to supporting the Memorial.

There is a one-time donation of \$2,500.00, which can be applied toward Patronage.

Masonic Trivia

In 1900 the Grand Master William F. Nichols devoted a large portion of his address to a reproduction of the correspondence in the complaint of Nogales Lodge No. 11 of Nogales, Arizona against Emilo G. Canton Lodge No. 250 of Nogales Sonora Méxi-co under the jurisdiction of the Gran Dieta Simbolica of Mexico for invasion of juris-diction. Turns out that in January 1900 the Ernilo G. Canton Lodge, working on the Jurisdiction of 'El Gran Dieta de los Estados Unidos Mexicanos' held a meeting, opened their Lodge and conferred the Entered Apprentice Degree upon five candi-dates in the Odd Fellows Hall in the town of Nogales, Arizona. Three of the five candi-dates resided in the town of Nogales Arizona. The Master of the Mexican Lodge was quoted "Besides all this, dear brother, I cannot understand in what consists the invasion of foreign jurisdiction, as, in the Masonic world as well as in the profane, the meetings of a peaceful and familiar nature can be held in this country, as well as in the neighbor-ing one, without conflict with the neutrality; and, in order to cause invasion, it would be necessary, as such an act indicates, we would have to invade faculties or rights exclusive-ly reserved to that Lodge, all of which we are far from pretending to do as in our meet-ing the jurisdiction ends within the precinct or within the walls of the temple." A very loose interpretation of jurisdiction that was settlement was made through a waiver of jurisdiction. Later resolutions were adopted in forbidding the subletting of a Masonic Lodge subordinate to the Grand Lodge of Free & Accepted Masons in Arizona to a foreign Masonic Body and that no Lodge had the right to waive jurisdiction over its material in favor of any foreign Lodge.

On April 3, 1936 the Grand Lodge of Free & Accepted Masons in Arizona received an official invitation from the The Grand Lodge of Antient Free and Accepted Masons of Scotland for our Grand Lodge to send representation to the Bi-Centenary celebration in November. Bro. George Bradbury of Tucson lodge#4 F.& A M (Master in 1935) was appointed to be the representative by Grand Master MW James Malott, however, at the last moment illness prevented his attend-ance. Regrets were sent with good wishes were sent via a special engraved copper letter to serve as a special memento of the occasion. (MW Malott pictured)

MWB Edwin Seymour Miller was born in Sherman, NY in 1858. He graduated from Univer-sity of Buffalo Medical School in 1879. Due to severe asthma he moved to the open prairies of North Dakota where he, with others, founded the city of New Rockford. He built the first drug store and served as Postmaster. He made his way to Flagstaff, Arizona in 1896 where he became well known in the community, with a large practice serving as physician, surgeon, den-tist, and nurse. For many years he served as physician for the Santa Fe Railroad. He started his Masonic career in Carrington Lodge U.D. in North Dakota, and was passed and raised in Flagstaff Masonic Lodge #7 where he served as Master in 1901-1903. He served as Grand Master of Grand Lodge of Free & Accepted Masons in Arizona in 1905

Scotland Trip in 2019

Brethren,
Many of you heard about a second trip to Scotland!!!

I'm planning a trip to Roslyn Lodge 606 and Roslyn Chapel in May of 2019. We will be putting on a 3rd Degree for Roslyn Lodg3 606. Roslyn Chapel demonstrating the various symbols and how they relate to Freemasonry. I'm in the process working with WB Geoffrey from Roslyn 606 organizing this beautified and one in the lifetime trip. No Masonic Jurisdiction from the US has ever put on a degree in Scotland; Arizona

Masonry will be the first. If you are interested in traveling to Scotland in 2019, please let me know as we are taking reservations. Furthermore, if you are interested in participating in the degree, please let me know, we will hold additions for the several parts as we want to make sure our ritual is "Top Notch."

You will need to procure your own costume and tuxedo. We are in the process of obtaining dispensation from both jurisdictions and more details to follow.

Fraternally, WB Cosmo Magliozzi (cmagliozzi@cox.net)

Masonic Charities of Arizona

ARIZONA MASONIC CHARITIES BEING HELPED BY OUR PURCHASES AT AMAZON.COM

Brethren, Friends, and Family,

This year the Masonic Charities of Arizona approved 18 grants totaling \$30,000 to organizations throughout Arizona. These 501c3 charitable organizations provide much needed services to their communities. Those services include assistance to our Veterans at the three VA Hospitals in Arizona, Domestic abuse shelters, child learning disabilities, training and assistance for people with special needs, support for soldiers abroad, Adult literacy programs and Personal hygiene kits for the working poor and homeless.

We are able to award these Grants from the income of our investment fund, Lodge and Personal donations and support from Grand Lodge. In order to keep up with the desire to expand our Grant distribution to more organizations and communities around the State we ask for your help.

We have registered with the Amazon Smile Foundation. Amazon Smile will donate 0.5% of the purchase price of eligible products to the charitable organization selected by their customers. For Amazon customers to select the Masonic Charities of Arizona to receive these donations go to <http://smile.amazon.com/ch/94-2746389> to automatically select us. Or you can go to www.smile.amazon.com and you will be prompted to select a charity. Now you are ready to shop and support the Masonic Charities of Arizona.

The Board of Directors of the Masonic Charities of Arizona extends our appreciation to all of you for your support.

Fraternally,
Craig Hutchison
Secretary, Masonic Charities of Arizona
