DO YOU KNOW YOUR PAST GRAND MASTERS?

Alonzo Bailey

White Mountain Lodge No. 3

3rd Grand Master of Arizona

Bailey was an manufacturer and mining operator, residing at Globe, Gila county, was recognized as one of the most influential and public-spirited citizens of his town. A native of Dresden, Ohio, he was born February 5, 1847, and is a son of Lawrence and Laura (Graves) Bailey, natives respectively of Brookline, N. H., and Croton Falls, Mass., and both of English descent. Lawrence Bailey moved to Ohio in 1830, there married and became a large land holder. He died in 1871 and his wife in 1867. "Until attaining the age of nineteen years, Alonzo Bailey resided at home, meantime receiving his education in the public schools and Kenyon College. After the death of his mother in 1867, he went to Colorado and for two years was engaged in farming and dairy work at Fort Lupton. Subsequently he engaged in contracting with the Santa Fe and the Missouri, Kansas & Texas railroads in Kansas and Texas for three years. In 1872 he removed to Silver City, N.M., where he erected a sawmill, kept a set of books, and served in various other capacities for local concerns. His residence in Globe dates from 1877, and for a year he engaged in merchandising. From that time until 1900 he was continuously devoted to the same line of business, but in that year disposed of his interests. "For some time he acted as president of the Old Dominion Commercial Company of Globe, established in 1891. "From the earliest days of his residence in Arizona, Mr. Bailey had been interested in mining, and for some time was a principal owner in the pioneer property and a large investor in the Old Dominion. For several years he was associated with Alfred Kinney in the ice-manufacturing business, the two partners having developed the plant from a capacity of one ton per day to that of twelve tons. The firm adopted the use of a Holden regaled ice machine. In connection with the plant is a soda-water works. "Fraternally Mr. Bailey was prominent in Masonry, having been initiated into the order at Silver City, N. M., in 1876. He was a charter member and first Senior Warden of the White Mountain Lodge No. 3 (Master in 1882) and Globe Chapter No. 7, was a member of Arizona Commandery No. I, K. T., of Tucson ; and Al Malaikah Temple, N.M. S., of Los Angeles. In 1884 he served as the 3rd Grand Master of the Grand Lodge of Arizona, which he had assisted in organizing two years before. He was Past Grand Master of the Odd Fellows for Arizona. In the Episcopal Church of Globe, of which he was an organizer, he serves as senior warden. Politically he was always been a consistent Democrat. He was a member of the constitutional convention of Arizona and served in the council in the thirteenth legislature. Among his interests are important real estate holdings in Globe. In 1880 he married Sarah Kennedy, a native of Kansas, and a daughter of John Kennedy, a pioneer stockman of Arizona, who was drowned in the Verde river in 1892. Mr. and Mrs. Bailey had three children, Wynette, Edith and Gertrude.

2019 Phoenix Scottish Highland Games

The Masonic Family, worked together on this event for this great event! We had members from various Masonic Bodies such as: Master Mason's at the Membership Booth, Noble David Shaff as the lead for the Membership Booth, Scottish Rite members worked the Wee One's Area (Children's Area) along with York Rite members, DeMolay, Job's Daughters, Shrine Clowns (Men and Lady clowns), Daughters of the Nile; and we even had an ASU young men's Fraternity group assist - the Acacia Fraternity. The Grand Lodge ID Program members were there and had 15 children registered in the ID program. We had almost 400 children in the play area and they had to have at least one adult accompany them while exploring and playing in that area. Great fun and fellowship over the weekend and we are looking forward to helping the Caledonian Society with the games in 2020 with more members of our Masonic Family to help a both the Membership Booth and children's play area

Traveling

WB Dwyane Hoyt

The habit of freemasons to travel and to visit other lodges, or even affiliate with them, is one of the oldest and most widely practiced customs of the Craft. In operative times, well before the emergence of the Speculative Craft as we now know it, masons were itinerant workers who were forced to travel to renew their employment as each building project was completed. This fluid nature of the Operative Craft led to the formation of trade societies, known as lodges, to protect the professional integrity of their occupation, and to enhance the moral and social practices of their members. It is surmised, not without some evidence, that the modes of recognition were originated in the operative period as a means of identifying the genuinely skilled mason who came to visit a lodge in search of work. It is therefore reasonable to deduce that the tendency of masons to visit other lodges is very old custom indeed. Many of the oldest extant masonic manuscripts contain charges associated with visiting, and the reception of visitors. Visiting as a Right As has just been outlined, the right to visit and sit in every regular lodge is one of the oldest masonic customs. This custom hinged on the theory that all lodges are only divisions of the 'Universal Brotherhood'. Indeed, in some areas of old, visitors could even vote at lodge meetings. However, the growth and spread of the Craft saw many variations in forms and procedures develop, and the evolution of the Grand Lodge system as we know it today. In turn, this necessitated that the concept of visiting as a right undergo changes. The movement towards qualification of the right to visit appears to have begun in the early eighteenth century. There are records of lodges in this period setting out limitations to visiting, in terms of the number of visits a non-member mason could make to a lodge in a twelve-month period; and limiting the types of meeting a visitor could attend. Certainly, by the end of the eighteenth century, visiting had ceased to be a right, but rather a privilege. Visiting as a Privilege The situation today is that visiting is a privilege-indeed, it is one of the greatest privileges of masonic membership. It must be immediately stated that a mason has no absolute, prescriptive right to visit a lodge wherein he is not a member. However, with that fact clearly stated, it must be observed that visiting as a privilege is most definitely encouraged and welcomed in every regular jurisdiction. A regular freemason in good standing will always encounter masonic hospitality and brotherhood in his travels.

A gift for our Masonic Brothers in Curacao

By Brother Rod Collins, P.M.

My wife Michele and I, along with two other Brothers and their wives, had the pleasure of visiting Curacao while on a Caribbean cruise in 2016. The ship docked there overnight. I had previously contacted the Masonic lodges on Curacao and advised them of our visit. Members of several of their lodges met us and our wives at the ship to greet us. They took us on a tour of their island including stops at two of their lodges where we were served refreshments at the first lodge and lunch at the second. That evening, I and the other brothers with us were invited back to the Building of Vergenoeging and Phoenix Lodge Igins in Papiamento, to attend a Tiled Masonic funeral. The services were in Dutch, because they are chartered under the Grand Lodge of the Netherlands. Each of us was provided with an interpreter. The Masonic service was an incredible experience which we thanked both the family and the lodge for allowing us to be part of the services. While there we noticed this painting in the lodge.

It motivated my wife and I to make a quilt inspired by this painting. Over the next two years we ended up making 5, two large and three smaller wall hangings.

One of the large quilts

On Wednesday, February 6 of this year we again had the pleasure of meeting our fraternal friends on Curacao. We presented them with the above Masonic quilt, as a token of our friendship and a thank you for the wonderful time they showed us in 2016.

Present to accept this gift were MW Brother Lyrio Gomez, Provincial Grand Master, MW Brother Tom Domhoff, Past Provincial Grand Master, W Brother Carl Renardus, WM Lodge Phoenix, W Brother Leslie Brug, WM Lodge Ignis Frater Nitis # 296, and Brother Abdoel Harris, SW Lodge De Vergenoeging #22 . The group was very surprised and pleased to receive the quilt. They promised to display it, with a plaque of acknowledgement, in the Building of Vergenoeging and Phoenix Lodge Igins in Papiamento next to the painting.

MW Gomez informed us that a new lodge was recently chartered on Bonaire, joining those on Aruba and Curacao under the Grand Lodge of the Netherlands. We are hopefully looking forward to visiting this new lodge on our next trip to the Caribbean.

We encourage all of our brothers visiting the Caribbean, especially Curacao, to contact the local lodges. Their Masonic fellowship will add to the enjoyment of your trip.

PUBLIC IMAGE

BY
STEVE JOHNSTON
STATE CHAPTER DAD
ARIZONA DEMOLAY

In light of today's societal expectations, DeMolay and Freemasons share a common challenge in regard to our public image. Both organizations would like to think that we are admired by the community for our membership. Every one of us likes to take pride in what we do in the groups that we are involved with, and Freemasons and DeMolay are no exception. We all face the same challenges in regard to growing our membership, and our outward appearance is directly responsible for our lifeblood. A candidate for Freemasonry is "prompted to solicit the privileges of Masonry by favorable opinion conceived of the Institution." --our public image.

But we cannot delude ourselves into thinking about Masonry from the outside in. Much as it always has, the challenge that lies before both of our organizations, is that the truth of who we are, and what we represent must compete with the plethora of misinformation and conspiracies that have been published, broadcasted, and run rampant on the internet. As frustrated as we may be, we cannot deny that we are currently living in a society where we are judged negatively by a simple photograph. The image of skull and crossbones or a young man in a robe holding a sword, is, unfortunately, far easier to "judge" than it is to research.

It is, of course, our desire to project and promote through brochures, Facebook, or any other form of media/social media, images that we feel are appealing representations of say, a degree, installation or initiation. As we should be, we are proud to display our members (both DeMolay and Masonic) in their finest regalia. Members in robes, surrounded by candles, kneeling before an altar are all images that we as Masons and DeMolay are familiar with, and look at through "educated" eyes.

Now, if you will, put yourself in the "mind of a parent" looking online for a youth organization in which to involve his/her child. Today, more than 60% of membership in Arizona DeMolay is contrived outside the inner circles of our greater Masonic family. By emphasizing only one facet of a complex story, the public can produce amazing distortions, both good and bad. As innocent as these misconceptions can be, they do present a legitimate challenge and threat to the growth of both organizations.

That being said, although Arizona DeMolay has absolutely no desire whatsoever to eliminate traditional regalia, or to change 100 years of ritual, it must, seriously look at the way society interprets their public image and the impact that is having on its membership growth and its very future.

As such it is Arizona DeMolay's policy that no photos be taken during the Degrees (Initiatory and DeMolay Degree) and no photos be taken of Degree costumes and other paraphernalia. Photographs can and should be taken following the ceremonies, when Robes and other paraphernalia are stored away.

As stated, Arizona DeMolay cares very much for our traditions, and have absolutely no desire to be rid of them, change them, nor are we in any way shamed by them. On the contrary, we wish to maintain them, and keep them alive and sacred, by inviting as many young men into our Order as possible to carry on these amazing traditions. Unfortunately, our challenge is that our organization is often judged by simple photos and conspiracy theories that are but a mouse click away.

No photo, brochure, or Facebook posting will substitute for the personal journey of an individual. What we offer must be discovered to be understood. Only then will the member and their parent truly understand, appreciate and come to cherish our traditions. Therefore, it is our hope that our public image becomes that of young men conducting meetings, learning life skills, leading moral lives, and, most importantly having fun. Ritual, robes and regalia will come later, and will mean more to them when it does.

It has been said that a picture paints a thousand words. This is most definitely true. What words it paints, unfortunately may be easily, and innocently misconstrued without having the experience of discovering the truth.

GEORGE WASHINGTON MEMORIAL

The George Washington Masonic National Memorial stands as the most distinguished monument to Washington ever build by a private organization -THE MASONS

Erected in the 1920s and 30s, it soars 333 feet as a beacon of Light and knowledge, educating and inspiring all who visit it. Recognized in 2015 as a National Historic Landmark, the Memorial is one of the most impressive and iconic buildings in the area around our nation's capital. Our new fundraising endeavor, The Landmark Century Campaign, aims to support a thorough restoration of the Memorial. And we can help!

Today, the Memorial is a museum like no other in the world. Everything we do revolves around our vision: "to inspire humanity through education to emulate and promote the virtues, character and vision of George Washington, the Man, the Mason, and Father of our Country." Open seven days a week, the Memorial offers

detailed exhibits and guided tours that teach the general public about George Washington, his life and virtues, and the role that Freemasonry played throughout his life. Further, the Memorial is an important space for the performing arts, social gatherings, public events, and educational seminars. And, of course, it is an active

Masonic temple, housing two Craft lodges and regularly hosting visiting lodges from around the country. The Memorial is a central hub connecting Masons to one another, and connecting the Craft to the public, our nation, and our world

For the past decade, the Memorial Association has devoted tremendous energy and resources to the renovation of the Memorial. Major exhibits have been added. Interiors have been repaired and repainted. Lighting has been updated. But the most considerable work is the top-to-bottom restoration of the building itself—the first such renovation since the Memorial was completed nearly a century ago.

Beginning at the Memorial's pyramid level, we have begun a multi-year project to perform all needed structural repairs. Stone by stone, are repointing the mortar and protecting the building from water penetration. When completed, the building will be in better than new condition.

Having a tree planted on the grounds of the George Washington Masonic National Memorial is an excellent way to honor an important individual in your life. And it's also a great way to express thanks to an organization, such as a Lodge or Chapter. For a donation of \$750, the tree will be cared for in perpetuity, and a handsome stone marker placed near the tree will communicate your dedication.

Your generous help
is essential in
reaching that goal.

The Society of Washington Lodges is for regular Lodges (recognized by the Grand Lodges of the United States) who are committed to supporting the Memorial.

There is a one-time donation of \$2,500.00, which can be applied toward Patronage.

Masonic Trivia

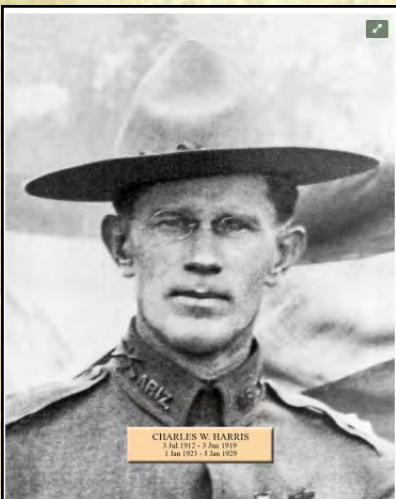

Alonzo Bailey was named a Regent of The University of Arizona in March of 1917.... although he has passed away on February 14, 1917. Word did not travel very fast in the early days of the Old West. Bailey was a Past Master of White Mountain Lodge No. 3 and the 3rd Grand Master of Grand Lodge of Free & Accepted Masons in Arizona!

The Phoenix Theatre Company is a professional theatre company located in Phoenix, Arizona. Started in 1920 by a theatre troupe known as the Phoenix Players, the theatre is among the oldest continually operating theaters west of the Mississippi River. On November 26, 1920 on the invitation of his Honor, The Mayor of Phoenix, Nicholas Udall, MW Nelson Roach of the Grand Lodge of Free & Accepted Masons in Arizona convened the fourth Special Communication of the year in the Phoenix Masonic Temple for the purpose of laying the cornerstone of the Little Theater Building. At the appointed hour, the Grand Lodge was opened, called from labor and taken by bus to the site, and from there marched in procession to the building and performed there ceremony. The address was delivered by Most Worshipful Brother Barnett E. Marks, Past Grand Master, acting Grand Orator. The Grand Lodge returned to the Masonic Temple and was closed

The 13 gold & red rays on AZ's flag represent the sun setting over the western desert & the original 13 colonies. The center star signifies copper production. The field of blue is the same "liberty blue" as the US flag. Blue & "old gold" are also Arizona's official state colors. Designed by Colonel Charles W. Harris, the first flag, carried by the Arizona Rifle Team to the National Rifle Matches in 1911, was sewn by Carl Hayden's wife, Nan D. Hayden.

Colonel Charles W. Harris was Adjutant General for Arizona from July 3, 1912 to June 3, 1919, and again from January 1, 1923 to January 6, 1929. Col Harris retired as a Brigadier General after serving Arizona as The Adjutant General for 13 years. He was a pioneer Tempe resident. His career began when he joined Captain Carl Hayden's Company "C", First Arizona Infantry, in Tempe on July 3, 1903. He served in the National Guard of Arizona for the next 25 years. After service in the 7th Cavalry during the Spanish-American War, Harris rose rapidly in ranks of the First Arizona Infantry to be appointed Adjutant General of Arizona by Governor Hunt on July 3, 1912, shortly after statehood. He was also director of Selective Service during World War I. General Harris died at Los Angeles, CA, on August 4, 1929. Charles W. Harris was a very active Mason and a member of Temple Lodge No. 15, WB Carl Hayden was a long time Mason and Master at Temple Lodge No. 15

Masonic Trivia

Sheriff Scott White of Tombstone Historic District passed through Tucson in 1894 en route to the asylum at Phoenix with a man named Alfred Smith, who had been ordered committed to that institution. It was a very peculiar case of insanity. The man seems perfectly rational save on one thing, the idea that several men have conspired to do away with him. D.E. Fitch, who lives near Tombstone, had an experience in a canyon close to his home. He met Smith, who drew a revolver cocked and leveled it at him saying that his (Smith's) mind had been burdened by the matter a long time and he wanted the whole truth about it.

Smith went on to tell the astonished and thoroughly frightened Fitch that he was satisfied that Ross, Thompson and Fitch had conspired to poison him; that Ross had got Fitch to get him some poison, which Ross had delivered Thompson who was to give it to Smith in some whiskey. And he wanted a clear statement from Fitch.

Recognizing that he had a desperate case to deal with Mr. Fitch immediately acknowledged the entire charge, telling him the poison he got was cocaine. But to reduce his reputed confession to writing Fitch proposed to Smith that they go to his house, which was near at hand. The ruse prevailed and the crazy man returned his pistol to his sheath. At the house, Fitch got assistance, evaded the insane man, and the others arrested him, took him into Tombstone, where a commission of inquiry found him insane and consigned him to the asylum. He actually had a brother in that institution who was sent there months before. Sheriff and Brother Scott White was an important member of King Solomon Masonic Lodge 5 for many years, being initiated August 7, 1897 and was Sheriff of Cochise County 1893-1894 and 1887-1900, he later was into copper mining, Superintendent of the Arizona Prison and later Secretary of State of Arizona

April 26, 1883 the Santa Rita Lodge of Perfection No. 1 was instituted by Albert Pike, 33rd degree Grand Commander of the Ancient and Accepted Scottish Rite of Freemasonry, S.J who executed the charter on parchment paper in his own handwriting, showing the list of the first charter members. The signing took place at the old Masonic Lodge room on the corner of North Main and Pennington streets in Tucson, later known as the old Orndorff hotel. Those charter members were some of the most important members of the early Grand Lodge of Free & Accepted Masons in Arizona and to early City of Tucson, Arizona; Alonzo Bailey, William Beard, Benjamin Franklin Bivins, Con Burns, Ansel Mellon Bragg, Merrill Pingree Freeman, Ignatz Seleg Fried, Samuel Hughes, Michael Alexander Kerr, Robert Lloyd, James Albert Maynard, Rollin Rice Richardson, George James Roskrige, Albert Steinfeld, Charles Moses Strauss, Zan Linn Tidball, Henry Dayon Underwood, Moye Wicks, Gustams Witfeld, James Albert Zabriskie, and Louis C Hughes

Scotland Trip in 2019

Brethren,
Many of you heard about a second trip to Scotland!!!

I'm planning a trip to Roslyn Lodge 606 and Roslyn Chapel in May of 2019. We will be putting on a 3rd Degree for Roslyn Lodg3 606. Roslyn Chapel demonstrating the various symbols and how they relate to Freemasonry. I'm in the process working with WB Geoffrey from Roslyn 606 organizing this beautified and one in the lifetime trip. No Masonic Jurisdiction from the US has ever put on a degree in Scotland; Arizona Masonry will be the first. If you are interested in traveling to Scotland in 2019, please let me know as we are taking reservations. Furthermore, if you are interested in participating in the degree, please let me know, we will hold additions for the several parts as we want to make sure our ritual is "Top Notch." You will need to procure your own costume and tuxedo. We are in the process of obtaining dispensation from both jurisdictions and more details to follow.

Masonic Charities of Arizona

- 2723 W. Northern Ave, Phoenix, AZ 85051-6624 -

ARIZONA MASONIC CHARITIES BEING HELPED BY OUR PURCHASES AT AMAZON.COM

Brethren, Friends, and Family,

This year the Masonic Charities of Arizona approved 18 grants totaling \$30,000 to organizations throughout Arizona. These 501c3 charitable organizations provide much needed services to their communities. Those services include assistance to our Veterans at the three VA Hospitals in Arizona, Domestic abuse shelters, child learning disabilities, training and assistance for people with special needs, support for soldiers abroad, Adult literacy programs and Personal hygiene kits for the working poor and homeless.

We are able to award these Grants from the income of our investment fund, Lodge and Personal donations and support from Grand Lodge. In order to keep up with the desire to expand our Grant distribution to more organizations and communities around the State we ask for your help.

We have registered with the Amazon Smile Foundation. Amazon Smile will donate 0.5% of the purchase price of eligible products to the charitable organization selected by their customers. For Amazon customers to select the Masonic Charities of Arizona to receive these donations go to <http://smile.amazon.com/ch/94-2746389> to automatically select us. Or you can go to www.smile.amazon.com and you will be prompted to select a charity. Now you are ready to shop and support the Masonic Charities of Arizona.

The Board of Directors of the Masonic Charities of Arizona extends our appreciation to all of you for your support.

Fraternally,
Craig Hutchison
Secretary, Masonic Charities of Arizona
