2019-2020  
Grand Lodge of Arizona

To: Brethren of the Grand Jurisdiction of Arizona.

Subject: New Year Message.

Dear Brethren,

I would like to extend to you, your families and friends a very happy and prosperous new year. The advent of 2020 also brings us to a new decade. What we do with this gift, the gift of time, is up to us. Only we can decide to invest it or to squander it. Only we can decide to use our time for good- good for ourselves, our families, our friends, our communities, our country.

As Freemasons we are taught three Tenets, one of which is Brotherly Love, and we are also taught to circumscribe our passions and keep them within due bounds and to not let them betray us. My wish for all of us is to have the wisdom to make the best use of our time, improve ourselves and our communities and to love one another.

May the Great Architect bless and keep you and may you be happy and prosperous throughout the new year and the new decade.

In Brotherly Love.

## Phoenix Scottish Games 2020

The Caledonian Society of Arizona is the single largest Celtic organization in Arizona and our mission is to promote Scottish culture through art, education and athletics. Each year the Caledonian Society grants scholarships to aspiring Highland athletes, musicians and dancers and/ or other individuals or organizations whose mission, project or program promotes Scottish heritage. Each year the Caledonian Society of Arizona produces the Phoenix Scottish Games. A two-day event currently held at Steele Indian School Park in downtown Phoenix on the first full weekend in March.

Although the title of the event is the Phoenix Scottish Games there is more going on than just the Games (Athletic competition). Over the weekend there will be a Highland Dance Championship competition, a British car show, a very active Wee Ones area for the kids and of course there will be pipe bands! We will have educational seminars, a Clan Village where close to 100 Clans will be represented, a Genealogy tent where there will be several certified Genealogists on hand to show you how to trace your lineage. There will be vendors selling a variety of goods from authentic Scottish kilts to the ever-popular meat pies!

So, whether you are a Scot or not come join us for a bit of Scotland in the desert!

## Local Bikes for Books Program Event Hailed a Success

*The literacy incentive program offers a new twist on a traditional method.*

Sierra Vista, Ariz.— Huachuca Masonic Lodge No. 53 recently partnered with neighboring Leman Academy of Excellence, Sierra Vista, to produce the community's first annual Bikes for Books Program event.

Bikes for Books is a literacy incentive program, aimed at young students, with the goal of developing in local youth a passion for literacy and, in turn, creating lifelong reading habits. Ultimately, the program benefits the community as a whole by improving overall literacy and, moreover, by leveraging an incentive that not only is fun and exciting for the participants, but that also encourages physical activity in youth.

Throughout the inaugural month-long event, scholars from grades one through five at Leman Academy were challenged to read as many books as they were able to within a 30-day period. For every book an individual scholar read, that scholar earned an additional entry to be placed into a drawing, thereby increasing the scholar's chances of winning the prize: a brand-new bicycle and helmet. Each grade level received its own separate drawing.

On November 15, following the reading period, the drawings were held, and Huachuca Lodge No. 53 presented a brand-new bicycle and helmet to each of the winning scholars. Among the top results, one scholar achieved a total of 24 books read during the 30-day reading period.

Officials from both Huachuca Lodge No. 53 and Leman Academy unanimously hailed the event a success, and both organizations hope to hold the event again next year.

Additionally, Huachuca Lodge No. 53 isn't alone; understanding the value and life-long effects of improving literacy at a young age, Masonic lodges across the country run their own local Bikes for Books events as part of Masonry's overall commitment to community.

Pictured with the winning scholars are Leman Academy Principal Marsha Jones and Vice Principal Brian Haag, and Huachuca Lodge WM Howie Siebert and PM Matthew Reidmiller.

# GEORGE WASHINGTON MEMORIAL

The George Washington Masonic National Memorial stands as the most distinguished monument to Washington ever build by a private organization -THE MASONS

Erected in the 1920s and 30s, it soars 333 feet as a beacon of Light and knowledge, educating and inspiring all who visit it. Recognized in 2015 as a National Historic Landmark, the Memorial is one of the most impressive and iconic buildings in the area around our nation's capital. Our new fundraising endeavor, The Landmark Century Campaign, aims to support a thorough restoration of the Memorial. And we can help!

Today, the Memorial is a museum like no other in the world. Everything we do revolves around our vision: "to inspire humanity through education to emulate and promote the virtues, character and vision of George Washington, the Man, the Mason, and Father of our Country." Open seven days a week, the Memorial offers detailed exhibits and guided tours that teach the general public about George Washington, his life and virtues, and the role that Freemasonry played throughout his life. Further, the Memorial is an important space for the performing arts, social gatherings, public events, and educational seminars. And, of course, it is an active Masonic temple, housing two Craft lodges and regularly hosting visiting lodges from around the country. The Memorial is a central hub connecting Masons to one another, and connecting the Craft to the public, our nation, and our world.

For the past decade, the Memorial Association has devoted tremendous energy and resources to the renovation of the Memorial. Major exhibits have been added. Interiors have been repaired and repainted. Lighting has been updated. But the most considerable work is the top-to-bottom restoration of the building itself—the first such renovation since the Memorial was completed nearly a century ago. Beginning at the Memorial's pyramid level, we have begun a multi-year project to perform all needed structural repairs. Stone by stone, are repointing the mortar and protecting the building from water penetration. When completed, the building will be in better than new condition.

Your generous help is essential in reaching that goal.

The Society of Washington Lodges is for regular Lodges (recognized by the Grand Lodges of the United States) who are committed to supporting the Memorial.

There is a one-time donation of \$2,500.00, which can be applied toward Patronage.

Having a tree planted on the grounds of the George Washington Masonic National Memorial is an excellent way to honor an important individual in your life. And it's also a great way to express thanks to an organization, such as a Lodge or Chapter. For a donation of \$750, the tree will be cared for in perpetuity, and a handsome stone marker placed near the tree will communicate your dedication.

# Masonic Trivia

Masonic Trivia: Arizona's so-called "Classic Gunfight" starred a couple of men, Joe Phy and Pete Gabriel, who really aren't household names in the world of famous gunfighters. Both had been lawmen in several towns before they came to Florence. They had mutual friends around the territory and had been friends before trouble arose between them. Their classic duel in the Tunnel Saloon had caused headlines in newspapers all over Arizona and was the subject of conversation for the next fifty years when old timers gathered. It was the evening of May 31, 1888, in Florence, Arizona Territory and he impromptu duel ended with fatal results. With Joseph Phy dead, and Pete Gabriel mortally wounded. Joseph Phy was a Mason and an early member of Tucson Lodge #4 F&AM.

Masonic Trivia: On July 4, 1922 Henry Gordon Glore was fishing with a guide in St. George's bay in Mexico when a strong storm hit the area and he was lost. His guide was found a week later and could offer no help on where the missing man was and Glore was feared dead.

Glore, who had a fishing concession from the Mexican government, had a fishing camp at Salinas, near the south end of St. George bay. On the night of July 3, 1922, they anchored a 20-foot steel boat in which they made the trip on the shore in the bay. During the night a storm arose, and the boat was overturned, the men losing all their provisions except for about one gallon of water. The boat was righted, and the Mexican deck hand departed for the camp, about 20 miles away for provisions and water. Glore whose boat is equipped with a sail, went to Rocky Point where he uncovered a can of water which had been buried there by a previous visitor. He also found a small quantity of cornmeal, which had been left by a former camper at the point and mixing this with the water he lived for eight days on the mixture when found by a search party from Ajo, Arizona. During the eight days the wind was not sufficiently strong to propel the boat and was unable to return to camp. The Ajo party furnished him with provisions and water, and he immediately put to sea in his boat, confident that he would be able to reach his camp, where he had considerable property, including a new automobile, left without guard.

Another fun incident of the trip was the breaking of a front wheel on the car driven by the search party from Ajo. The wheel gave way at a point between Red Mountain and the Gulf, and one of the drivers, John Merrill succeeded in building a practically new wheel from the limbs of a palo verde tree. The wheel was later shown at the Tait pool room. Glore was a Past Master of Nogales Lodge No. 11 and Grand Master of Grand Lodge of Free & Accepted Masons in Arizona in 1920!

# ARIZONA MASONIC CHARITIES BEING HELPED BY OUR PURCHASES AT AMAZON.COM

Brethren, Friends, and Family,

This year the Masonic Charities of Arizona approved 18 grants totaling \$30,000 to organizations throughout Arizona. These 501c3 charitable organizations provide much needed services to their communities. Those services include assistance to our Veterans at the three VA Hospitals in Arizona, Domestic abuse shelters, child learning disabilities, training and assistance for people with special needs, support for soldiers abroad, Adult literacy programs and Personal hygiene kits for the working poor and homeless.

We are able to award these Grants from the income of our investment fund, Lodge and Personal donations and support from Grand Lodge. In order to keep up with the desire to expand our Grant distribution to more organizations and communities around the State we ask for your help.

We have registered with the Amazon Smile Foundation. Amazon Smile will donate 0.5% of the purchase price of eligible products to the charitable organization selected by their customers. For Amazon customers to select the Masonic Charities of Arizona to receive these donations go to <http://smile.amazon.com/ch/94-2746389> to automatically select us. Or you can go to [www.smile.amazon.com](http://www.smile.amazon.com) and you will be prompted to select a charity. Now you are ready to shop and support the Masonic Charities of Arizona.

The Board of Directors of the Masonic Charities of Arizona extends our appreciation to all of you for your support.

Fraternally,

Craig Hutchison

Secretary, Masonic Charities of Arizona
