

MINUTES OF THE MEETING OF THE NEWPORT, QUENDON & RICKLING NEIGHBOURHOOD PLAN MANAGEMENT TEAM ON 10 Oct 2016

Present: Brandon Chapman, Neil Hargreaves, David Mayle, Barney Miller, Joanna Parry

Apologies: Howard Bowman, Chris Murphy

1. We welcomed Barney Miller, with his design experience, to the Management Team and also Chris Murphy, although she could not be here today.

VISION STATEMENT

2. NH had helpfully sent an email with some examples of vision statements from other neighbourhood plans, and we put together some of our own ideas. JP would send this round for further amendments.

FLYER

3. It was agreed that the questionnaire and the Flyer would be combined into one leaflet. NH agreed to work on the text and BM on the design. JP would set up contact and social media details to be included. DM and BC would write articles for the Newport News and Q&R Link magazines explaining the intentions of the Plan.

AOB

4. BC had details of another Q&R resident who may be interested in joining the Management Team, and he will notify her of the next meeting.

NEXT MEETING

5. It was agreed that the next meeting of the Team would be held on Monday 17th October 2016 at 2.30pm at Midsummer House.
