

MINUTES OF THE MEETING OF THE NEWPORT, QUENDON & RICKLING NEIGHBOURHOOD PLAN MANAGEMENT TEAM ON 25 Oct 2016

Present: Neil Hargreaves, Tracey Hepting, David Mayle, Barney Miller, Chris Murphy, Joanna Parry

Apologies: Howard Bowman, Brandon Chapman

1. An update was given on the position of the District's Local Plan, which has been delayed. This emphasises the importance of a Neighbourhood Plan, otherwise we are at risk from opportunist developers.

FLYER

2. The flyer has now been edited, and will remain ready for printing when required.

FINANCE

4. NH has made enquiries into finance, and calculated a rough estimate of probable cost. The Parish Councils will be notified that there will be some expense this year, and that they should budget for more next year.

TIMING

5. The Parish Councils must submit a letter requesting that the creation of a Neighbourhood Plan for the 2 parishes be approved. JP to send letter to both PCs to be submitted to UDC. Designated Area must be approved by Cabinet – next available meeting will be in January.

WEBSITE

6. It was agreed that JP would set up the website at www.nqrplan.org with continued input from the NPSG.

NEXT MEETING

7. It was agreed that the next meeting of the Team would be held on Wednesday 2nd November 2016 at 2pm at Midsummer House.
