NQR6	08Que17	Land north east of Belchamp's Lane Quendon	6.35	The development of this site would extend development into the countryside and be of an inappropriate scale to the village. The site is therefore considered unsuitable as development on the site would not contribute to sustainable patterns of development.	Playing field and agricultural land	143-238	<p>Agree with UDC adverse assessment. In addition, as it was put it forward again in the NhP consultation it was subjected to a review of NhP specific criteria.</p> <p>It would be contrary to policy HA1 (ribbon development on the B1383) and EN2 (air quality impact in the centre of Newport from development feeding traffic on to the B1383)</p>	Site not suitable	See pages 9999
------	---------	--	------	---	-------------------------------------	---------	---	--------------------------	----------------

The Steering Group considers that Quendon does not meet all the criteria to be a type A village as it does not 'act as a local service centre' Therefore, the scale of development suggested for 08Que17 would not represent sustainable development. (text for NhP assessment)
