2018-2019

What Makes us Unique?

At Beyond the Barre we strive to provide a positive learning environment where our students can develop their technique and artistry in dance. We want to help our dancers develop confidence, strength, flexibility, and a true love of dance and performing.

This program is designed by professional educator and former professional dancer, Dena Morley. As an educator, Ms. Dena believes in focusing on her students' strengths and building up their confidence and self esteem. This teaching philosophy blended with classical ballet instruction has turned itself into an exciting dance studio.

At Beyond the Barre, we offer dance instruction in classical ballet, jazz, contemporary, & tap for children of all ages. We want our students to be respectful of themselves and others and have fun while learning! We also believe that PERFORMING is a valuable part of our program. It's on stage where these dancers really shine BEYOND THE BARRE! Instead of a typical recital format, the dancers perform in 2 FULL PRODUCTIONS every year. Dancers from ages 3 & up learn to get comfortable performing on stage in front audiences over 600+.

At Beyond the Barre, we will help the dancers reach their goals while providing excellent instruction. Thank you for allowing us the privilege of teaching your child!

Dance Class Information:

Registration: Registration is accepted on a first-come first-served basis for the season of August 27, 2018-May 5, 2019. Register your dancer at www.beyondthebarre.co. Upon enrollment, tuition must be paid within 5 days to hold a spot for each registrant. Beyond the Barre reserves the right to cancel classes with enrollment fewer than 6 students, as well as the right to change instructors at our discretion.

Attendance: Attendance is important for each dancer to progress and succeed at all levels. **Please call or text 513-633-8542 if your child is going to be absent.** If a student is sick, he/she must stay home for the safety and wellness of the other students and instructor. Beyond the Barre reserves the right to remove a student from class or rehearsal if the child exhibits any signs of illness. Talk to your child's teacher to see if make-up classes are an option. Missed classes for any reason are not eligible for refunds.

Make-up Classes: Makeup classes are his encouraged and must be taken during the current semester.

Dress Code:

Girls: Any color of leotard, light pink tights, pink leather/canvas ballet shoes, above the knee skirts are up to the teacher's discretion. No jewelry or hair accessories should be worn.

HAIR-must be pulled back away from the face, preferably into a bun.

Boys: White t-shirt, black pants, black leather/canvas ballet shoes

Class Etiquette: Each dancer will receive a list of appropriate behaviors and expectations.

Arrival: BE ON TIME (several minutes early is best!) Dancers enter the dressing room adjacent to the studio before class begins. This is where they will put their dance bags, shoes, and coats. Then dancers quietly wait in the hall until the instructor lets them into the studio. Dancers are encouraged to stretch in the hallway.

If you are late: Wait at the door for a break in the music. Politely attract the teacher's attention and ask for permission to join. **If a dancer misses the warm-up, he/she may be at risk of injury.**

Dismissal: Dancers will be promptly dismissed directly to you at the studio door. I would prefer parents to wait outside the classroom door, so that I know each child is dismissed to a parent or caregiver. If your child has permission to walk up to the lobby, please let me the teacher know.

Water Bottle: Each child needs to bring a labeled water bottle to class.

Cell Phones: Dancers' cell phones must be turned off while in the studio.

Observation Classes: Friends and family are invited to observe your child's class during the fall and spring semesters. See the ballet calendar for these observation class dates.

2018-2019 Performance Information

The 2018-2019 Beyond the Barre schedule is broken into 2 semesters. Each semester will culminate with a full production at the **Wyoming High School Penderly Theater, located at 106 Penderly Ave, Cincinnati, OH 45215**. Performance is an essential part of Beyond the Barre dancers' education. The opportunity to perform is a rewarding and affirming part of their Beyond the Barre experience. This experience allows each dancer to feel proud of the progress she/he is making and helps to promote self-confidence. Every dancer attending a performance class will perform in a Winter Ballet Performance and a Spring Ballet Performance (theme to be announced in December). No auditions are necessary. In order to produce a high quality performance, performance fees will be collected for both productions. We will have three mandatory rehearsals before each performance. Looking forward to a great year of dance at Beyond the Barre!

We are honored to be your child's dance teachers. We want to build their strength and dance technique at the barre, but also inspire them beyond the barre. We want to build their self-confidence, their poise and presence in front of an audience, and help them love to dance as much as we do.

Please feel free to call Ms. Dena at **513-633-8542** with any questions or concerns. You can also reach Ms. Dena by email at beyondthebarre@zoomtown.com
