

Roopa Bhat, MD, PhD

Curriculum vitae

EDUCATION/TRAINING

- 2006- 2009 Translational Fellowship in Multiple Sclerosis (MS)/Neuroimmunology Research, Dept of Neurology, Stanford University, CA
2003- 2006 Neurology Residency, Stanford Hospital and Clinics, Stanford, CA
2002- 2003 Internal Medicine Internship, Providence Portland Medical Center, Portland, OR
2002 M.D. Medicine, Chicago Medical School, North Chicago, IL.
2001 Ph.D. Biochemistry & Molecular Biology, Rosalind Franklin Univ of Health Sciences, IL
1993 B.S. Genetics and Biochemistry, Texas A & M University, TX. *Magna cum laude*

WORK EXPERIENCE

- 2016-present Neurologist, Bellevue Neurology, WA
2013-present Neurologist, Puget Sound Neurology, WA, with
2016-present Partners in MS designation by the National Multiple Sclerosis Society (NMSS), USA
2011-2013 Neurologist, Kaiser Permanente, CA
2010-2011 Neurologist, Stanford University, CA
2009-2010 Neuroimmunology Research Associate, Stanford University, CA

LICENSURE AND BOARD CERTIFICATION

- 2003-present Medical License, California
2013-present Medical License, Washington
2011-present Board Certified by the American Board of Psychiatry and Neurology

RESEARCH GRANTS AND SCHOLARSHIPS

- 2007-2009 National Multiple Sclerosis Society Clinical Scientist Training Program Grant.
Title: "The role of GABA in Multiple Sclerosis and experimental autoimmune encephalomyelitis (EAE)"

1993-2002 M.D.-Ph.D. Program Fellowship and Award, Chicago Medical School-Rosalind Franklin University. Project: "Structure-function studies of the nerve growth factor molecule"

1992 Undergraduate Research Fellowship Award, Department of Pathology,
University of Texas-Southwestern Medical Center at Dallas.
Project title: "Design of soluble and membrane-attached CD4 molecules"

1992 &1993 Academic Incentive Award, University Honors Program, Texas A & M Univ.

CURRENT RESEARCH STUDIES

ESTEEM by Biogen: Dimethyl fumarate (DMF, Tecfidera) Observational Study
FORWARD by Allergan: Topiramate vs Botox Phase 4 Study, Currently Enrolling

LECTURES AND TEACHING EXPERIENCE

- 2015 Multiple sclerosis invited lecture, Autoimmune Assoc'n-NMSS Joint Conference, WA
- 2015 Grand Rounds lecture: Vasculitis syndromes, Fransciscan Health System, Tacoma, WA
- 2013-2014 CME/CNE lectures in Neurology, School of Nursing, Pacific Lutheran University;
Washington Association of Physicians from India, WA
- 2014 Neurology Attending, AT Still University School of Osteopathic Medicine, AZ
- 2010-2011 Neurology Attending at Neurology Resident Clinics, Stanford Hospital and Clinics, CA
- 2007-2009 Medical Student Core Neuropathology Section, Human Health and Disease
course, Stanford Medical School, CA
- 2005-2008 Grand Rounds lecture series, Stanford University Dept of Neurology: topics including
Carcinomatous meningitis, Myositis, Inflammatory myopathies and neuropathies.
- 2005-2006 Neurology Clerkship Teaching Award, for excellence in neurology resident teaching of
medical students, Stanford Medical School, CA.

SELECTED HONORS

- 2016 Partners in MS designation by the National Multiple Sclerosis Society, USA
- 2014 Expert panel appearance, MS Summit, the National Multiple Sclerosis Society, Seattle, WA
- 2007, 2008 & 2009 Biogen-Idec Travel Award for platform presentations, Federation of Clinical
Immunology Societies Annual Conference.
- 2007 Teva-Neuroscience Travel Award, Neuroradiological advances in Multiple Sclerosis,
University of South Florida Conference in Colorado.
- 2002 Certificate of Merit, Poster Competition, American College of Physicians Meeting, Eugene, OR.

SCIENTIFIC/ADVISORY POSTS

- 2014-present Advisory Bd Genzyme, Sanofi-Aventis; Teva-Neurosciences
- 2013 Advisory Bd US World Meds
- 2012-present Reviewer Manuscript Publication Peer reviewer, Am. Journal of Neuroradiology
- 2010-present Reviewer Manuscript Publication Peer reviewer, European Journal of
Neuroscience, Cambridge, UK; and
 Journal of Neuropathology and Experimental Neurology, USA
- 2008 Reviewer Grant application reviewer, National Multiple Sclerosis Society, USA
- 2005-present Reviewer Manuscript Peer reviewer, Journal of Biological Chemistry, USA

MEMBERSHIPS

- American Academy of Neurology
Pierce County Medical Society

SELECTED PUBLICATIONS

Wang D, Bhat R, Sobel RA, Huang W, Wang LX, Olsson T, Steinman L. Uncovering cryptic glycan markers in multiple sclerosis (MS) and experimental autoimmune encephalomyelitis (EAE). *Drug Dev Res.* 2014 May;75(3):172-88.

R. Bhat. Paraneoplastic diseases of the Nervous System. In: Tarascon Clinical Neurology Pocketbook, **G. Steinberg and M. Hayden.** (Editors), Jones and Bartlett Publishing, Burlington, MA. 2012
