Messages for Churches in our Circuit

March-2019

Message Request from Sue Palmer (District Forum Rep to MWiB).

Please contact Sue directly via her contact details below. Thank you.

This is a request for any report you might be willing to give, on an event or current interest with your local Methodist women's group. As Forum rep for Notts and Derby, I will be attending a weekend soon, where all the reps from round the country go. It is a time of sharing and encouraging...as well as planning Connexional events. We each speak about our District. So please share if you can! A few words will suffice, or a paragraph. It could even go in the next District newsletter! Thank you.

Blessings
Sue Palmer
