

SUMMER 2017

At the Game 7 Basketball Boot Camp we are concerned about giving quality teaching to players who are serious about the game. Intense instruction each day by the best coaching staff in the Metro NY area who know the game inside out. Our expert staff will drill the players in the physical and mental fundamentals of basketball.

This is not a camp to pick up a t-shirt, take a picture with a pro and win an award during a contest— this is a serious camp for serious players. We expect you to **GO HARD EVERY TIME!**

Our staff will *demand* the best from each and every player - there is no try - there is only "DO". We will strengthen a player's physical and mental game by focusing on building the new skills they need to gain the confidence necessary to succeed on and off the court. We teach them how to practice with a purpose because it is what you do when no one is watching that determines an individual's success. We will teach every player how to be the best they can be and show them how to use this philosophy not only in their sports career, but also in life.

Enrollment is limited. This camp is for those players and parents who want serious instruction in the sport of basketball. Players will work directly with Marc Von Essen (Game 7 Founder) John Grossi (Oceanside HS, Marywood University) Brian Kuar (Habits Basketball) and others.
