

Kurotadori Body Armor

The zero point in body armor evolution.

Who we are

Introducing Kurotadori

We are an exclusive high-end designer and retailer of exotic body armor.

Thinking outside the box, utilizing high-end designer materials, and bringing to life visions of phenomenal body armor.

This company is based upon old-world values and understanding. Our products are the lineage of warriors from all over the world, presented and delivered to you in a luxurious package.

The continuity of threats arises; from residential public areas to hot zones of high conflict around the world. Human nature has remained static and so has the need for protection. From ancient forms of combat to modern ballistic weapons, body armor must continue to progress in order to effectively stop these increasing threats.

Kurotadori is proud to offer its advanced solutions. Our craft and style is the difference - the zero point in evolution to the next generation of sophisticated body armor.

In addition to supplying high-end exotic ballistic products, we also offer the greatest economical solutions that retain quality in this industry.

Kurotadori offers professional products, manufactured by professionals. Products to aid in battle and war, produced by warriors.

We are a different type of company, offering a very different type of product.

Our Story

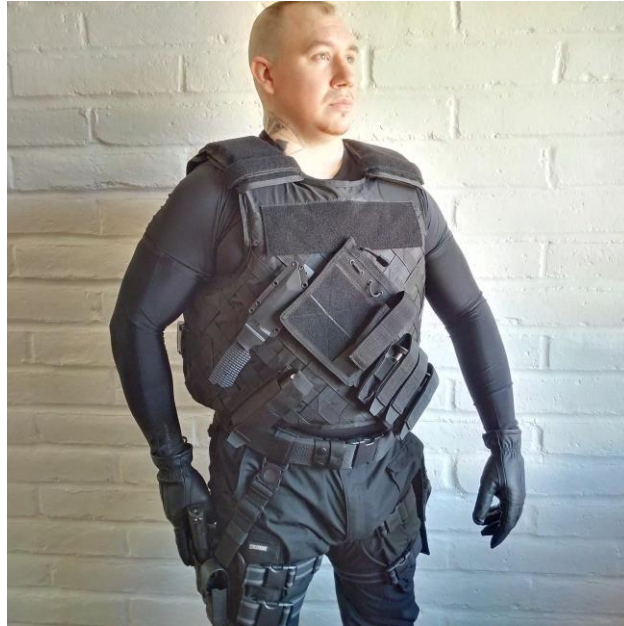

I began martial arts at a very young age. The journey of my life has brought me to many different styles and arts; appreciating, training with, and learning from many special people and taking with me an eternal wealth of knowledge of philosophy and combat.

I entered the protection industry at 19 years old as private security in high-profile nightclubs. In the next 13 years, I had advanced my career providing my skill set to private clientele, executive protection, and nationwide fugitive recovery. I have had hands-on experience with equipment and materials that have impressed me, as well as utterly failed me. Relying upon my knowledge and expertise in tensiles, I utilize

As the owner of Kurotadori, I am still an active agent in the executive protection and fugitive recovery industry. I trust my product with my life every time I work. Kurotadori body armor is a reputable company with a high-quality product. Our body armor is hand-crafted with supreme precision; attention is given to every detail, and without compromise. Kurotadori is a company dedicated to innovation and advanced ballistic solutions. We are professionals in the ballistic and protective industry, and we do not sell products outside of our scope. Because of this, you can count on our precision and expertise to be reflected in our product.

We maintain strong communication with each and every customer, providing 1st-class service to all Kurotadori clientele.
