

Men's Divorce Recovery exists to
Empower divorced men...
Through Support, Encouragement and
Knowledge...
To Survive and Thrive beyond their
divorce...

MDR exists to 'catch' men in their pain with the initial aim of rescuing a man from disastrous decisions often made when one is in extreme misery.

Beyond SURVIVAL, however, MDR embraces the amazing reality that God never wastes pain but turns it on the enemy for Kingdom good. Our goal is to help a man move beyond surviving to thriving —to living out the purpose for which he was made.
