

# Dale J. Brown, Ph.D.

## Speaker & Author *Specializing in Men's Issues*

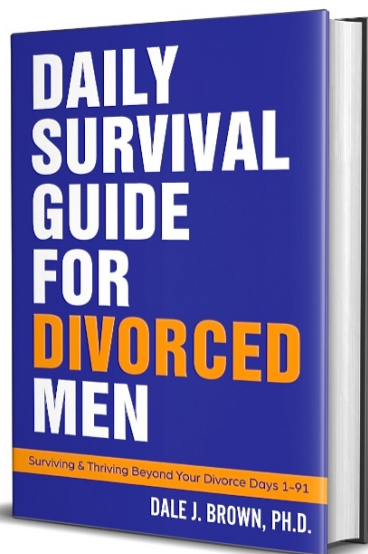

A longtime pastor, speaker, teacher, mentor and coach, Dale has been a community leader for over 30 years. After officiating at hundreds of weddings and counseling countless couples through marriage difficulties, Dale found himself divorced. Determined to continue to serve hurting and wounded people, he started ***Men's Divorce Recovery***.

Knowing the stakes are high, Dale is determined to make a difference in men's lives as they face recovery and rebuilding from the trauma and losses of divorce and other life events.

Dale has pastored six churches in Texas and New England, traveled and taught overseas and led Men's Retreats and Conferences. He has taught in numerous prisons and been a chaplain in the hospice, hospital and first responder settings.

He holds a B.S. from the University of Texas and the M.Div. and Ph.D. degrees from Southwestern Baptist Theological Seminary. Dale is happy husband to Kelly and thrilled to be dad to Lindsey, Davis and Aaron.

Designed to give hurting men a daily dose of wisdom and encouragement, the ***Daily Survival Guide for Divorced Men*** is a 91-Day devotional.

*"I get two to four requests a day for a book endorsement and I must refuse most of them, but everywhere I open this book there is wisdom—and hard won wisdom—plus the need is so urgent and so widespread! So I want to go on record in support of Dale Brown's fine book. I know its truth from years of working with men."*

*Dale Brown is a man with a Pastor's heart. He has a passion for helping other men who have experienced divorce as he has, yet, without the kind of help that he gives in this book. Dale is a man worth listening to...*

*I met Pastor Dale Brown in 2006 when I first walked into West Church seeking relief from emotional pain caused by earlier personal crises. Dale engaged me soulfully and helped me to feel comfortable. Pastor Brown engaged me in discipleship meetings that were intellectually rewarding, emotionally comforting and soulfully deep. We became fellow travelers on the walk with Jesus Christ. I am impressed with Pastor Brown's intellectual ability.*
