

1 GALLON= 1 ACRE

4 Zep bottles/acre – this recipe fills 4 Zep bottles

76 oz
(9 cups)

Bucket #1

- add 40 oz oil
 - add xanthum gum
 - add peanut butter
- Mix thoroughly.

Bucket #2

- add water
 - add Tango
- Mix thoroughly.

When both buckets are mixed, *slowly* pour bucket #1 into bucket #2 while mixing continuously at med-high speed. Mixture should be smooth, consistency of yogurt.
