Central Falls Redevelopment Authority
Richard Bernier
580 Broad Street
Central Falls, RI 02863

Plan Number: 79336

Dear Richard Bernier :

This is in reference to the asbestos abatement plan which you submitted for:
Commercial Building 1304 High St Central Falls, RI 02863.

The above referenced asbestos abatement plan is hereby approved as conforming with Part C of the Rhode Island Rules and Regulations for Asbestos Control.

A review of your request for a waiver of the contractor's 10-day start work notification has been approved by this office. However, this waiver is valid for ten (10) working days from the approval date of this letter. If the asbestos abatement work has not commenced within this time period, the 10-day waiver request shall become void and will not be reconsidered without further justification on the part of the building owner.

A "Confirmation of Receipt of Asbestos for Disposal" must be forwarded to this office within five (5) working days of receipt.

If you have any further questions concerning the above referenced asbestos abatement plan, please contact Erin Ferreira, 222-7777.

Sincerely,

Bonnie Cassani-Brandt

Central Falls, RI 02863

Plan Number: 79336

Dear Richard Bernier :

This is in reference to the asbestos abatement plan which you submitted for:
Commercial Building 1304 High St Central Falls, RI 02863.

The above referenced asbestos abatement plan is hereby approved as conforming with Part C of the Rhode Island Rules and Regulations for Asbestos Control.

A review of your request for a waiver of floor poly where flooring will be removed and personal air sampling in lieu of pre-abatement, in-process, and clearance air sampling for exterior work as described in attachment #4 has been approved by this office.

Please note that a licensed asbestos abatement contractor shall submit an ASB-22 start work notification at least 10 working days before any on-site work begins at a planned asbestos project. In addition, a licensed site supervisor shall notify this office by telephone when the licensed asbestos contractor begins site preparation.

A "Confirmation of Receipt of Asbestos for Disposal" must be forwarded to this office within five (5) working days of receipt.

If you have any further questions concerning the above referenced asbestos abatement plan, please contact Erin Ferreira, 222-7777.

Sincerely,

Bonnie Cassani-Brandt
