**Reference: Proposed Tourist Development (“Proposed Development”) proposed at the Hellfire Club and Massey’s Estate (the Location”)**

Dear Mayor, Councillor O'Connell,

I refer to the above referenced Proposed Development. I am writing to you in your capacity as Mayor of South Dublin County Council. I am a local resident/habitual user of the amenities at the Location. I am very concerned that the Proposed Development will impact severely and detrimentally upon the current environmental conditions, sensitivities and the general scenic amenities of the Location.

I would really appreciate it if you could inform me:

- a) If you are aware of the proposed development;
- b) Your view of the proposed development; and
- c) Whether you are prepared to meet with interested parties in respect of the Proposed Development.

Please note that I have a particular concern about the overall scale, nature and impact of the Proposed Development on such an important local amenity and that the current proposal would seriously and permanently damage the overall environmental and amenity value of the Hellfire/Massey's Wood environment.

I would be obliged if you could share this information with the County Manager and all the Councillors within the SDCC Local Authority Area and confirm receipt of letter to me please. Thank you in advance for any assistance you might be able to give to me in relation to this matter.

Yours sincerely,
