

Relive Baseball History!

**TY COBB
MUSEUM**

October 6, 2018

Dear Fans of The Ty Cobb Museum:

Thank you for visiting the Ty Cobb Museum!

The Museum staff and I want to share with you a small part of the journey the Ty Cobb Museum has been on since we opened our doors to you over 20 years ago.

The Ty Cobb Museum has led a gallant effort to bring the true and accurate story of the legendary Ty Cobb. We have opened our doors to over 54,000 visitors around the world and from every state in this great nation and has generated more than \$1 Million dollars in non-profit revenue. The proceeds from those funds have created uncounted events and opportunities for fans of baseball to enjoy, and also for the enhancement of the Museum's exhibits and professional products and services over the last two decades.

We want you to know that we are committed to working every day to move the Ty Cobb Museum forward towards a better future as a national history and baseball institution where research and the presentation of baseball history are the cornerstone of what we do to bring you the best in the game.

Thank you for your interest in the Ty Cobb Museum. Thank you for supporting us in making our museum transcend structure in the highest meaning and purpose!

Respectfully,
