Marketing & Sales Funnel model

Marketing & Sales Process Stage 1: Prospecting(Defined)

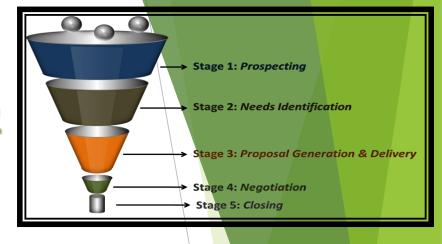

This is where we **prospect** your target audience for you & than prepare a **potential clients -list** to share & discuss with you.

After the list has been agreed upon we start contacting potential clients for your entity by cold calls, email, etc....

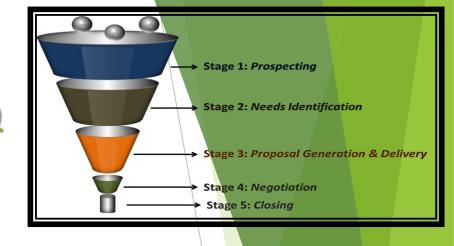

Marketing & Sales Process Stage 2: Needs Identification(Defined)

>In this stage we identify & discuss the needs of the potential clients with regards to your products/rendering services & proceed accordingly.

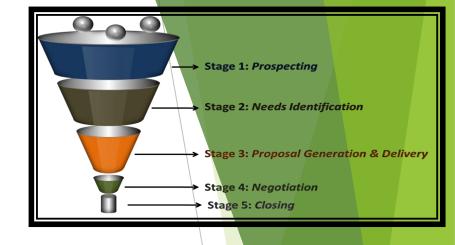

Marketing & Sales Process Stage 3: Proposal Generation & Delivery (Defined)

When we approach this stage after identifying the needs of the potential client for your entity we will request you to than prepare a proposal & mention in it what you will have to deliver to fulfil the requirements of the concerned potential client along with the price/s of the service/s your business/company will be providing them. This stage also involves delivery of the Proposal/Quotation that we have requested from you for a potential client that we have identified for your business/company.

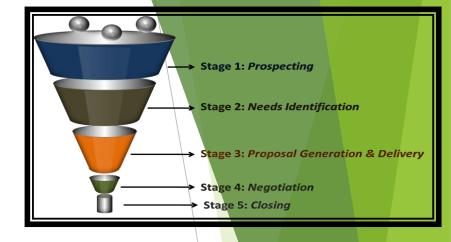

Marketing & Sales Process Stage 4: Negotiation(Defined)

>This stage is all about negotiating regarding the price/s & service/s on offer in the proposal prepared by your entity that GTS EST. has submitted to the potential client.

Marketing & Sales Process Stage 5: Closing (Defined)

- This stage is arguably the most **crucial/vital** one whereby the sale is **closed/done** upon which GTS ETS. Involvement is usually completed regarding the sales process & the account has been handed over to your business/company.
- We may contact the client we signed on for you for feedback on the service/s provided by your entity to them as per the deliverable/s on the concerned sale or GTS EST. maybe involved even after the sale has been delivered/completed by GTS EST. should it be requested by the other party in this contract or the client we obtained for your entity.

/Induction

Once you sign on with us as a client we shall than require your organization to provide GTS EST. with an induction/training period which may last a week to a month depending on the complexity of your service or product that you are selling.

Portfolio of our strategic partners

GTS EST. Will save your business time & money by offering you a "different approach" with regards to your sales & marketing needs.

Sales & Marketing Services: Option 1

"Economical Package"

- In the **"Economical Package"** we deal with you in the following manner:
- On a purely commission basis for sales delivered with a minimal services/retainer fee of \$R2,500 to be paid to us on a "monthly basis" for services rendered. Our commissions will be calculated on the 25th -30th/31st of every month & we will send you an invoice/invoices based on any sales achieved by us along with our monthly service/retainer fee. Regarding the commissions due to GTS EST. in the event that we make a sale/s for your organization than all the funds due to us for that month must be dispatched via a bank transfer into our business bank account within 3 -5 business working days after you receive the payment from the client for your service/s or product/s or both that we acquired for your business/company.
- Our involvement here is mainly during "pre-sales & sales completion" (Please refer to our Marketing & Sales Funnel Model) but we may also be sending the client we obtained for your business/company a 'sales evaluation report'.
- The marketing services provided by GTS EST. will be direct/online marketing for your entity as part of our sales process.

Sales & Marketing Services: Option 2

- In the "Premium Package" we deal with you in the following in manner:
- Which is a **service/retainer fee + commission basis**, this option may cost you more but the **benefits are greater** than what you receive in the **economical package** in terms of what GTS EST. provides your organization.
- ▶ GTS EST. is paid SR 4,000 a month as a service/retainer fee for our services which include unlike in option 1 the following:
- We shall prepare a weekly, monthly, quarterly & yearly sales report for your business which will comprise of how many visits we conducted for your business in a month, meetings feedback, potential clients status reports & sales forecast report.
- There will a be a standard/minimum amount of visits/meetings that we will aim/try to conduct for your business each week as per our agreement/contract. (Please refer to our Marketing & Sales Funnel Model) to grasp what else you will be obtaining from us when you acquire this package of GTS EST.
- Our commissions will be calculated on the 25th -30th/31st of every month & we will send you an invoice/invoices based on any sales achieved by us along with our monthly service/retainer fee. Regarding the commissions due to GTS EST. in the event that we make a sale/s for your organization than all the funds due to us for that month must be dispatched via a bank transfer into our business bank account within 3 -5 business working days after you receive the payment from the client for your service/s or product/s or both that we acquired for your business/company.
- Lastly but certainly not the least we may also send a "service evaluation report" to clients to fill up & share with you after you have completed a service/s or provided them your product/s or both to them for sales that came through us. The marketing services provided by GTS EST. will be direct/online marketing for your entity as part of our sales process.
- **P.S.** As a **premium client** you will be promoted on our website <u>www.gtsestablishment.com</u>
