

Longmont High School

Class of '67 50th Reunion Committee

Dear Classmates,

FIFTY YEARS! It's been 50 years since we took that walk together . . . Over that time our reunions have come and gone. With busy lives we may have missed a few . . . but now . . .

Whether you are athlete or artist, businessman or scientist, an introvert or extrovert, doing well or not so much . . . **IT DOESN'T MATTER!**

Whether you're still hot stuff, weathering well, or aging beyond recognition; whether your shape is slight or ample, firm or fluffy; Whether your hair is in abundance or a bit in absence . . . **IT DOESN'T MATTER!**

Whether you're happily married (for the first, second, or third time), or divorced; Whether you're living single or with a significant other; Whether you come alone, or with a date . . . **IT JUST DOESN'T MATTER!**

Whether we went from K-12 with each other or shared 1 year . . . graduated from LHS or moved away at some point . . . **YOU KNOW, IT JUST DOESN'T MATTER!**

Is our message clear yet?

WE SIMPLY WANT YOU TO ATTEND . . . There really is no excuse good enough to keep you from being there. We shared some formative years together in Longmont and have done a lot since then. Come and see who is the same and who's changed . . . Come to have fun and share life stories. It's time to celebrate the milestone and create a few new memories.

And for those who haven't been back lately, Longmont's really changed . . . a bustling Main St. cultural district, 7 craft breweries, a beautifully redeveloped Mall, a great museum, top notch eateries, and weekly music festivals that rock all summer long . . . just to name a few.

So mark your calendars **NOW!** for **Friday, July 28, 2017**. This will be a fabulous time to reunite, recharge, and relive those unforgettable three years spent at LHS.

Cost is \$60 for the Friday Night Buffet, Dance, Nostalgic Slideshow set to Music & a Heck of a Good Time . . . Don't miss this one . . . Make your reservation before April 30, 2017 and Save!
