Promoting the Educational and Civic Life of the Community Since 1923

## President's Message

It's been such a wonderful experience being President of the Woman's Club of Seal Beach this year. And the reason this year has been so exceptional is you, the members. The passion, energy and time you have given this year to accomplish our goals is amazing. You've worked and played hard as well as shared the joys and successes of jobs well done.

To know this, one only needs to look closely at the success of our Tea and Fashion Show. So much planning, beginning with Barbara Wright's incredible job and continuing with all our members' dedication to putting on such a successful event is awe inspiring. Then for all our members and guests to reap the joys of your job well

done at the tea was so rewarding.

Also, every month, because of Marilyn Bittle's lunch arrangements, we have such a festive surprise when we walk into the Senior Center for our General Meetings. This month Patty Biggerstaff and her committee did a truly star-studded job of treating us to red, white and blue displays for Memorial Day. Truly beautiful!

The McGaugh blue-ribbon poetry writers were top-notch, as always. Thank you Karen Russell for arranging our program of poets for us again.

One could write for hours of all the projects that are being quietly contributed by each member. And I wish I could. But Libby Appelgate, our incredible editor, informs me I must confine my

writing to this space. But know I thank you all for making my year of President so wonderfully fun and gentle. All your contributing hands, thoughts and suggestions have been truthfully appreciated. Thank you for making the WCSB such a huge success as well as a truly delightful club to belong.

Have an enjoyable and safe summer.

Hugs,  
Becky

## WE CARE

My name is Michelle L. and I was in need of rental assistance for one month. I was in a dire situation and unable to pay all my rent for the month of April 2016. I lost my job in February of 2016 and was unable to obtain work until March 25, 2016. My husband is disabled and does receive \$1,146 a month for social security and I was paying the balance of the rent out of my pay. Since I was not working I was unable to save all my rent due in April. I recently obtained my two grandchildren ages 9 and 12 and have

really been struggling with making ends meet. I am employed now for the last two days and will be working minimal hours such as 2 to 4 hours per day, however that will make up the difference needed for the rent starting in May.

Thank you for helping me and my family in this current situation, we really appreciate it.

Michelle L.
