## President's Message

Dear Members,

I'm writing this the weekend of our tea and am still smiling from how successful it was! Thank you, Barbara Wright, for all your planning.

It was an outstanding event. As always, it took many individuals to make it such a success.

The tables were beautiful, the raffle baskets exceptional, and the fashion show a delight. Thank you to EVERYONE who helped make this a 5 star event.

We had our general meeting just 3 days before the tea. The table decorations put us all in the Aloha

spirit. Thank you, Gloria Souders, and your committee, for the lovely table displays.

As always, the poetry read by the McGaugh students was amazing. What talented students we have in our community. Thank you, Karen Russell, for arranging this program.

The past two years have really flown by since I became your president. It has been pure pleasure! I have been fortunate to have had such supportive board members, as well as so many members who have helped make the Woman's Club of Seal Beach such an active and vital organization.

Thank you all for making my time in office such fun.

You will certainly be in very capable hands with Becky Williams stepping in as our new president.

I look forward to seeing you all at our June meeting. Have a wonderful summer!

Margy

Book: *China Dolls* by Lisa See

It's 1938 in San Francisco: a world's fair is preparing to open on Treasure Island, a war is brewing overseas, and the city is alive with possibilities. Grace, Helen, and Ruby, three young women from very different backgrounds, meet by chance at the exclusive and glamorous Forbidden City nightclub. Grace Lee, an American-born Chinese girl, has fled the Midwest with nothing but heartache, talent, and a pair of dancing shoes.

## WE CARE

Rob,

I wanted you to know that I started my job last Tuesday. I started all my orientation stuff and it seems like a really good place to work.

Rob thank you so much for your helping me through a

tough time while unemployed. I was laughing telling a friend about you. That day I went to your office & you gave me the food certificates, helped with rent etc. I was just so grateful & thankful for them that honestly it didn't hit me until I left your office that you just said you would pay my utilities as well.

I felt like a deer in headlights...totally

Joya Ryerson

blindsided in a good way. It hit me driving home all that had happened, and there were so many other miracles along the way I was trying to wrap my head around just how faithful the Lord was in that time.

Thanks,

The Hill family

## SUNSHINE & RAINDROPS

Speedy recovery notes were sent to Mary Stebbins as she recovers from a broken hip and to Betty Brand who is recuperating from leg surgery. Best wishes were also sent to Charlene Frazier, who fell and suffered some bruising but luckily no fractures.
