## President's Message

2015

What a wonderful turnout we had at our October Meeting. Our three new potential members, Marilyn Van Dyke, Maureen London and Celeste Keith were delightful to meet. The tables were so fabulous. Some were spooky, some cute or beautiful and all decorated for fall and Halloween. Chairman Beverlee McNally and her committee did an outstanding job getting us ready for the season. Thank you also to Marilyn Bittle for planning another delicious lunch for us.

Margy's guest speaker, Kinda Hibrawi of the Karam Foundation was excellent. Kinda gave us such a personal and up-close view of the life and struggles of Syrian refugees and all the wonderful help this foundations is offering the people. Her slides certainly helped put a face to their plight. Thank you Margy for another wonderful program.

Thank you to our Ways and Means Committee, Barbara Wright, Gloria Luna, Sylvia Sellers, Roxann Davis and Twyla Karkut, for all your hard work and dedication. And where the new list of recipients for this year is super, I'm pleased to report that our mem-

bers are keeping us on our toes, making sure we all stay true to our goals. Thank you.

Getting us ready for the Winter Holidays, our next fundraiser, Standing Ovations, will be November 1st, 12-4pm. It's always so fun to see the beautiful items for sale, have delicious tidbits to snack on, see friends and neighbors and find a few gifts and treasures to buy as well. Then comes our Seal Beach Parade on Friday, December 4th at 7 p.m. There's still time to sign up to participate.

Sylvia Sellers organized and ran the best booth, the Woman's Club of Seal Beach Fishing Booth, at the Centennial Carnival. Thank you to Sylvia, her family and all our members who helped all those happy fishing children catch their "fish".

Boy, was that ever fun!

Looking forward to seeing everyone at our

November Meeting. Happy Fall and Happy Thanksgiving to All.

Becky

## ***Big Little Lies*** by Liane Moriarty

Madeline is a force to be reckoned with. She's funny and biting, passionate, she remembers everything and forgives no one. Her ex-husband and his yogi new wife have moved into her beloved beachside community, and their daughter is in the same kindergarten class as Madeline's youngest (how is this possible?). And to top it all off, Madeline's teenage daughter seems to be choosing Madeline's ex-husband over her. (How. Is. This. Possible?).
