

President's Message

Get ready for another wonderful WCSB year of Good Friends, yummy lunches, new adventures and delightful fundraisers to raise money for good causes. This should prove to be a very special year because of the 2015 Seal Beach Centennial.

The Woman's Club has been an important part of that history, being the longest continuously active organization in town. So here we go, adding another year of history to the Woman's Club of Seal Beach.

A heart felt thank you to Margy for her superb job as president for the past two years. We have had two very successful and positive years under her leadership and I hope to continue in that same progressive direction. With our amazing board and awesome, creative and supportive members we are bound to have a another successful year. Remember, your ideas and suggestions are always appreciated.

We had some very busy members this summer getting our club ready for September. Thank you to Twyla Karkut and Margy Arthur for their invaluable help with the Yearbook, due out at our meeting in September. And a big thanks to Judy O'Neill for

working so long and diligently to get the membership dues and lists finished in time for our Yearbook publishing. Three cheers go to Roxann Davis, Twyla Karkut, Margy Arthur and Marilyn Bittle for helping with all the banking; not a quick or easy feat. And thank you Betty Brand for getting our calling tree started, several times this summer. What an amazing group of ladies in our Club.

Did you see our two movie stars on SBTV yet? Nancy Kredell and Marilyn Bittle volunteered to go on Studio Café, SBTV, to advertise and explain about our up coming plant sale on the 12 th and 13 th of September. Check the calendar attached to the Bulletin for your volunteer times. I'll see you all there at our first fundraiser of the year. Let's make it the best Plant Sale we've had.

Margy Arthur has some very interesting programs planned for us this year. The first of her programs is a great start for our New Year with one of our philanthropic recipients. I'm so looking forward to seeing all of you at our first meeting.

See you then! Becky

Grayson by Lynne Cox will be discussed..
Grayson is Lynne Cox's first book since *Swimming to Antarctica* ("Riveting"—*Sports Illustrated*; "Pitch-perfect"—*Outside*). In it she tells the story of a miraculous ocean encounter that happened to her when she was seventeen and in training for a big swim (she had already swum the English Channel, twice, and the Catalina Channel).

PROGRAM

Glen Justice, MD, one of the physicians who volunteers at the Lestonnac Free Clinic, will give us an inside look at the kinds of services offered by the clinic. Lestonnac is one of the few remaining free clinics in the state. Their mission is to provide no-cost primary and specialty medical care, dental, vision and

healthy lifestyle education services to the indigent and uninsured in Los Angeles, Orange and Riverside counties. One of their clinics is located in Los Alamitos. Lestonnac is one of the charities to which we donate.

The Pacific Marine Mammal Center is very proud of their beginnings. It was the first marine mammal rehabilitation facility in California and was established prior to the [Marine Mammal Protection Act of 1972](#). They now share the responsibility for marine mammal rehabilitation with six other centers along the California's coastline.

WE CARE

Hi Rob!

I don't know if you remember me, but 5 years ago I was in a horrible situation emotionally and financially and in fact you asked me to come speak at your big annual fundraiser, but I ended up moving back to WA State and was never able to. I am back in CA now and I'd like to make good on that

promise to support We Care and share my story. I went on to have a very successful career running a company and traveling all over the U.S. advising doctors in Marketing and Business matters. I am still contracting out as a marketing and sales consultant because travel got to be too much. I look back on We Care as a huge factor in my being able to get back into a better place.

Thanks for supporting me as I was a single

mom of two, at the time I was in the process of a divorce. My daughter has high functioning autism (she's now 15!) and my son was a baby at the time but now he is going to be 9 years old this month actually!

Thanks,

Courtney

SUNSHINE & RAINDROPS

This summer several members of the club had health issues, illnesses or deaths in the family.

Condolences were sent to Pat McNerney, Mary Carroll Rudnick and Ruth Whallon for the passing of their husbands.

A get well card was sent to Roxann Davis recuperating from health issues.

Speedy recovery wishes were sent to Beverly Endsley who had hip replacement surgery and to Carol McNallen who had knee replacement surgery.

Barbara Blackman passed away in July and a condolence card was sent to her husband, Tom.

Cathy Oliver's son had a serious injury to his hand and fingers in August and a card was sent to her and her husband to let them know we're thinking of them.

Here's to the start of a healthy, injury free club year!!
