BOOK CLUB

Hostess: Ann Harmon - 1241 Marlin Ave., Seal Beach
562 296-5143 *Nora Webster* by Colm Toibin 1:30 pm
Set in Wexford, Ireland, and in breathtaking Ballyconnigar by the sea, Colm Toibin's tour de force eighth novel introduces the formidable, memorable Nora Webster. Widowed at 40, with four children and not enough money, Nora has lost the love of her life, Maurice, the man who rescued her from the stifling world she was born into. Wounded and self-centered from grief and the need to provide for her family, she struggles to be attentive to her children's needs and their own difficult loss. In masterfully detailing the intimate lives of one small family, Toibin has created one of contemporary fiction's most memorable female characters, one who has the strength and depth of Ibsen's Hedda Gabler. In *Nora Webster*, Colm Toibin is writing at the height of his powers.
