Quality Policy

- We strive to provide our clients and candidates with services which meet and exceed their expectations. We are committed to continuous improvement and have established a Quality Management System which provides a framework for measuring and improving our performance. The company is dedicated to the quality policy which will ensure that its services fully meet the requirements of its customers at all times. The goal of Wilspun Services Co. W.L.L. is to achieve a high level of customer satisfaction. Commitment to the implementation of supporting managerial and operational systems is essential to realizing that goal.
- Wilspun Services Co. W.L.L. believes in the concept of client and supplier working together in pursuing this policy and in continually striving for improvements in service quality.
- The quality policy is based on 3 fundamental principles:
 - Ensuring that we fully identify and conform to the needs of our customers.
 - Looking at our service provision processes, identifying the potential for errors and taking the necessary action to eliminate them.
 - Everyone understanding how to do their job and doing it right first time.
- To ensure that the policy is successfully implemented, staff will be responsible for identifying client's requirements, and ensuring that the correct procedures are followed to meet those requirements.
- Objectives needed to ensure that the requirements of this policy are met and that continual improvement is maintained in line with the spirit of the policy, will be set, determined and monitored at Management Review.
- The quality policy principles and objectives will be communicated and available to staff at all times. Training will be an integral part of the strategy to achieve the objectives.
- Further to the above, the company undertakes to ensure that legislative and regulatory requirements relevant to scope of business will be regularly reviewed; as a minimum this will be at Management Review.

Quality Policy

Wilspun is certified by the following international quality and safety standards thru UEAS, United Kingdom.

ISO 9001:2015

This certification demonstrates its ability to consistently provide products and services that meet customer and applicable statutory and regulatory requirements, and aims to enhance customer satisfaction through the effective application of the system, including processes for improvement of the system and the assurance of conformity to customer and applicable statutory and regulatory requirements.

“Customer satisfaction is our top priority.”

Quality & Safety

OHSAH 45001:2018

We have certified our company from Occupational Health and Safety Management Certification as per international standards to prioritize a framework to identify, control and decrease the risks associated with health and safety within the workplace.
