

# MISSION BRIEFING

AVIATION MISSIONS, INC. MINISTRY NEWSLETTER

*"Whether therefore ye eat or drink, or whatsoever ye do, do all to the glory of God." 1 Cor. 10:31*

*December 15, 2017*

Yet again, another year is drawing rapidly to a close in the service of our Lord. At this time of year, we remember the birth of our Savior and are mindful why He came. For that we are so thankful.

I am also thankful to our Lord for the faithful partners He has blessed us with to serve together in AMI. Thank you for your faithfulness in your prayers and giving. Because of your sacrifice, God has been at work through us to be a help and blessing to our missionaries so that they can not only continue on in the ministry but expand their outreach and effectiveness. You are a blessing to us and through us as we are available to Him to take care of His servants on the front lines.

While I was leaving to go to a doctor's appointment last week, I received a call to help get a medical missionary out of Mexico who had broken his leg. He was located in a remote part of the country. The doctor where he was located told him to go back to the USA to get treatment; the local facility was inadequate for proper treatment. The family was perplexed about how to get him back. After a short conversation with the missionary's daughter, we were able to put together a plan for getting him to an airport and on board the next commercial flight out. This saved them thousands of dollars over an air ambulance.

At my doctor's office, Dr. Davis told me that there is a biochemical recurrence of my prostate cancer. In simple terms, it has reappeared at the microscopic level. I have undergone some tests this week that have shown no masses or growths anywhere. That is good news for which we praise God. I have an appointment with a radiation oncologist on Dec 28<sup>th</sup> to discuss my status and options. I won't have any idea of the impact on our schedule until after that appointment. Meanwhile, we are pressing on with several projects, including the seminar.

Thank you for praying for us. We can tell that God's faithful people have been lifting us up to Throne of Grace.

In His Service,

*Dr. Paul & Anita McCaulley*

## Prayer Requests

1. A satellite dish to replace existing dish that is unsupportable.
2. Emergency locator and management system.
3. Traveling safety.
4. Wisdom to deal with calls for assistance.
5. The training program for missionaries and pastors.
