Dear Parents of Transfer Students,

We are pleased to have begun the school year creating many positive learning experiences for all Doss CCSD students. As you know, it is our goal to keep all parents well-informed concerning issues that impact our school community.

This letter is to advise you that a recent opinion released by Texas Attorney General Ken Paxton has raised some questions about the procedures to be used when districts transport students from one district to another. We are in communication with our neighboring school districts concerning our long-standing practice of transporting transfer students between our districts.

Although we do not anticipate that changes to our bus routes and schedules will immediately be required, some adjustments may be necessary in the future. We are investigating options for transportation should they be necessary, and encourage each of you to do the same. Be assured that as always, we will keep you informed of any changes that may be required.

We thank you for your continued support of our students, our school, and our community. We care for your children and appreciate you. Should you have questions about this or any matter, please do not hesitate to call me at 830-669-2411.

Sincerely,

Pam Seipp,
Administrative Consultant
