---

## MEMBERSHIP FORM

Join us to preserve the Hmong language and culture, and to develop, enhance and promote their teaching.

We are a group of Hmong language **teachers** from school to the university, **scholars** specialized in the study of the Hmong language and culture, and **parents** aware of the importance of the Hmong language as a source of knowledge, pride, and cultural identity.

With your membership, you can participate to the various **activities** such as workshops, professional development trainings, cultural events, talks, courses in Hmong, etc. that the Hmong Language Association is planning to offer to foster more awareness, improve the language abilities and teaching skills, encourage the study of the language, and develop a network of knowledge and of the people passionate by the Hmong language and culture.

To become a member, fill the following part:

1. **REQUESTED INFORMATION:** Please, provide the following information.
