

**DECEMBER - APRIL**

**Durango  
Volleyball  
Club**

Durango Volleyball Club Redshirt program has been established to provide quality coaching to players who don't want the full club experience. Each Redshirt will get all the benefits of a fulltime club player, without tournaments or tournament fees. Keep up with the skills you've already learned, and learn new advanced skills to take you farther in the next season. Practices will be twice a week along side the other club players. This program is open to all Junior High and High School players. Come be a part of a new and exciting adventure in volleyball. More infor? Contact Jacki Dowling
