THE 2017 JUNIOR LIVESTOCK SHOW OF SPOKANE IS DEDICATED IN MEMORY OF JODI PIPER (1971-2016).

Jodi was very active in 4-H, FFA, and the Junior Livestock Show of Spokane. Jodi was a woman of strong faith and love. In March 2014, she was diagnosed with late stage ovarian cancer. During her long fight with the disease, she was humbled and grateful to the wonderful community and all of the love that was shared with her family. Her friends gave her such joy and they rallied with the "Jodi Piper Fight Club." Jodi lost her cancer battle on May 1, 2016.

4. Entries are open to 4-H and FFA members who meet all requirements. There will be separate contests for 4-H and FFA divisions. For 4-H, only a student age 8 to 19 (4-H age is determined by October 1st of current 4-H year) enrolled in a livestock project with Cooperative Extension is eligible. 4-H divisions are: Juniors, 8 to 10 years of age; Intermediates, 11 to 13 years of age; Seniors, 14 to less than 19 years of age. For FFA, only students enrolled in a junior high or high school vocational program, carrying a livestock project, are eligible to exhibit at the Junior Livestock Show of Spokane. FFA divisions are: grades 7-10 and grades 11-12.

5. No partnership entries allowed.

6. Each exhibitor will list the name and phone number of their parent or chaperone on the entry form that will be in attendance throughout the Junior Livestock Show of Spokane.

EXHIBITORS

7. Exhibitors are expected to care for and groom their animals while at the livestock show. Adults will not be allowed to physically assist in the preparation of the animal while at the show. Verbal instruction will be allowed, but no physical assistance is permitted. Physical assistance may be rendered by other exhibitors in good standing in the 4-H and FFA programs. One warning will be issued if parents are helping. If a second occurrence is documented, the exhibitor's premiums will be forfeited.

8. An exhibitor can exhibit all four species: steer, lamb, swine, and goat. FFA or 4-H members may not exhibit the same class of livestock in both divisions.

9. Each exhibitor must take care of and exhibit his/her own animals in all classes. The only exception will be in market classes; if 2 animals from the same exhibitor are in the same class, another exhibitor will be allowed to show the second animal.

10. Each exhibitor will be responsible for the care and cleanliness of his/her pens or stalls, which must be cleaned by 7:00 AM each day. All exhibitors are expected to participate in herdsmanship.

11. The exhibitor must also prepare their animals for use in the Judging Contest on request of the barn superintendent, or forfeit his/her entry or entries and all rights and privileges of the Junior Livestock Show of Spokane. Exhibitor's animals will not be used in 2 consecutive year's judging contest.

12. Each exhibitor will obtain and display a Junior Livestock Show of Spokane stall card. This card must be filled out entirely for eligibility for the breed association and herdsmanship awards. No other stall cards shall be displayed.

13. Exhibitors must provide their own hay and grain. Bedding will be supplied by the Junior Livestock Show of Spokane. No flammable materials may be used for decorating pens. No painting may be done at the fairgrounds. No generators may be used in the barns.

14. All dogs must be on a leash. No dogs are allowed in the livestock barns.

LIVESTOCK

15. Livestock shown at a previous market terminal show and sale shall not be eligible to compete at the Junior Livestock Show of Spokane unless the shows are county or community shows which have been approved in advance by the management of the Junior Livestock Show of Spokane.

16. All animals must have a completed Quality Assurance Form, found at juniorshow.org, which will be presented at weigh-in. Failure to present a correct and complete Quality Assurance Form will result in the animal's disqualification.

17. Once an animal is ear tagged and listed for a particular class there will be no changing to another class without approval of the barn superintendent.

18. No animals will be accepted before 9:00AM on **May 2, 2017**. All livestock must be penned by 7:30 PM on **May 2, 2017**.

19. To preserve the natural and wholesome atmosphere of the Junior Livestock Show of Spokane, the use of tranquilizers, drugs, or steroids to increase weight and/or muscle mass of meat producing show animals is strictly prohibited. All products must be used as product recommendations state.

20. The use of whiteners, paint, or any caustic soaps or solutions, such as chlorine bleaches, are not allowed. Hoof shines and adhesives are acceptable. Violators will not be allowed to participate according to the "National Show Ring Code of Ethics" (available upon request from the Junior Livestock Show of Spokane office). Copies of "National Show Ring Code of Ethics" have been distributed to all County Agents, 4-H leaders, and FFA advisors.

21. All exhibitors residing out of the state of Washington must have a health certificate for each entry, and must comply with Washington State and Interstate Health Regulations that are in effect at the time of the Junior Livestock Show of Spokane. Certificates are to be presented at weigh-in and kept on file in the Junior Livestock Show of Spokane office.

22. The Show Veterinarian may reject any animal with infection or contagious disease or ectoparasites. Exhibitors should be aware that ringworm, warts, pinkeye, strangles, contagious ecthyma, scabies, lice, mites, ticks and fleas fall into these categories. A committee appointed by each barn superintendent will inspect all animals for the above conditions. A veterinarian will make the final assessment. Animals which are rejected will be required to leave the premises.

23. If an exhibitor has a concern about the health of their animal during the show and prior to the sale, they must contact show management or the barn superintendent. Any exhibitor having an animal that becomes too sick to show or sell must get written authorization from the barn superintendent before the animal can be removed from the Junior Livestock Show of Spokane.

24. All animals are subject to drug testing. Any exhibitor with an animal that is condemned for any reason prior to or at processing will not be paid for that animal.

SALE

25. All market animals exhibited in the market class at the Junior Livestock Show of Spokane must be sold at the sale, and accompanied by an exhibitor, or the animal will sell at floor price. Failure to obey this rule will result in forfeiture of all awards and premiums. Exhibitors are encouraged to pre-sell all market animals.

26. Exhibitors agree to consign their market livestock animal(s) to the Junior Livestock Show of Spokane.

27. The regular sale commission as filed with the U.S. Department of Agriculture will apply to all livestock sold.

28. Exhibitor checks: There will be a 3% deduction of the gross sale price on all sale and turned animals plus any specie specific fees. 2% of these funds will go into the Junior Livestock Show of Spokane funds for operating expenses and 1% will go toward administration sale fees/costs. All checks must be cashed within the 60 days (as printed on check) upon receipt.

CONDUCT

29. Any exhibitor who has been banned from another junior show or fair, or is on probation or suspension from either the 4-H or FFA program for any reason, will not be eligible to exhibit at the Junior Livestock Show of Spokane for the duration of the probation or suspension.

30. The Junior Livestock Show of Spokane does not condone the use of drugs or alcohol by the exhibitors or anyone staying on the Spokane County Fairgrounds, and will not tolerate drugs or alcohol being furnished to an exhibitor or being consumed by an exhibitor. Illegal consumption of alcohol or use of drugs by an exhibitor or participant, and altercations among exhibitors, leaders, advisors or parents will be considered grounds for immediate removal from the Junior Livestock Show of Spokane. Verbal or physical abuse will not be tolerated by anyone on the Spokane County Fairgrounds. Any of the above infractions will result in forfeiture of premiums.

31. The Junior Livestock Show of Spokane will enforce a curfew from 10:00 PM to 4:00 AM. No exhibitor will be allowed in the livestock barns during curfew time unless accompanied by their leader, advisor or chaperone. The Junior Livestock Show of Spokane will hire security guards, in uniform, to be on the grounds during curfew time.

STATE BRAND REGULATIONS

All beef exhibitors must show proof of ownership of their animals. A brand clearance and haul slip is required on all beef animals. Out-of-state animals must have a brand inspection from the state of origin. The haul slip for market animals will show change of ownership from the exhibitor to the Junior Livestock Show of Spokane. These must be turned in at the time of weigh-in. All Washington State brand regulations apply. Questions? Contact the Jr. Show office or Brand Inspector Kris Budde, (509) 523-5232, (509) 994-3345, or kbudde@agr.wa.gov.

BEEF DEPARTMENT

1. Each exhibitor is allowed to enter two market steers and/or two prospect steers and/or two heifers.
2. All beef animals must have been born on or after September 1, **2015** to be eligible.
3. Each exhibitor must own his/her beef animals by January 1, **2017** and give them personal care and supervision from that day forward. Each exhibitor must also be prepared to show proof of ownership.
4. Only dehorned or naturally polled beef animals are eligible to show. Horns can be no longer than 2 inches from any point at the base to the tip.
5. Dairy breed or dairy cross breed animals are not allowed to be entered.
6. All beef animals must be halter broke and manageable. Any uncontrollable beef animal must be removed from the grounds. This decision will be made by the beef barn superintendents.
7. All beef animals must be tied with neck ropes as well as rope halters when in their stall area.
8. Market steers must be pre-tagged with a Jr. Show tag. Any non Jr. Show tags must be removed prior to weigh-in.
9. All steers will be weighed on Tuesday from 3:00 PM to 7:00 PM. This weight will determine the market class designation. For market steers, that will be the sale weight. Market steers weighing less than 1050 lbs. will not be eligible to compete in the market steer classes or the livestock sale, but may re-enter as a prospect steer. Steers not making weight will be allowed one re-weigh only. Heifers must check in with proper paperwork during this time, but will not be weighed. Absolutely no beef animals will be allowed in the barn until they have been checked in.
10. An exhibitor who is showing a market steer in addition to a prospect steer and/or heifer is required to show the market steer in the Fitting & Showing contest. If they have no market steer, they must show the prospect steer. Heifers will only be allowed in the Fitting & Showing contest if it is the only beef animal the exhibitor has entered in the show.

11. Prospect steers and heifers will be released from the barn Friday between 5:00 PM and 8:00 PM or anytime on Saturday. Pens must be cleaned before exhibitors can leave. All beef exhibitors must check out with the barn superintendent before being excused.

Premium awards will be made to exhibitors on the basis of points earned in each ribbon group. A monetary value will be given for each point awarded as follows:

Market Steers	100	80	60
Prospect Steers	100	80	60
Heifers	100	80	60

PROSPECT STEERS

1. This is a contest for steers that are designated to be shown at a later show in **2017**. A steer shown as a Prospect Steer cannot return to this show in future years and be entered or shown as a market steer.

2. Prospect steers will be judged by weight.

HEIFER SHOW

1. This is a show for beef breed heifers. They need not be registered but must exhibit breed traits.

2. Heifers will be shown by age; therefore age must be filled in on the entry form.

JUDGING OF MARKET STEERS AND RIBBON AWARDS

Each class of market steers will be judged separately by weight. Each division, 4-H and FFA, will be judged separately by the Danish system. Ribbons awarded in each class will be at the discretion of the judge. Animals considered for Grand Champion and Reserve Champion will be awarded a purple ribbon in lieu of a blue ribbon.

All first and second purple ribbon placed steers in each market weight class in each division will show in the market championship class. Following the selection of Grand Champion and Reserve Champion, the steers will be placed again. This new placing will determine sale order.

BEEF CARCASS CONTEST

The purpose of this contest is to provide a more complete learning experience for 4-H and FFA members by measuring carcass traits on market steers. Carcasses will be evaluated by: hot carcass weight, rib eye area, back fat thickness, USDA quality grade, and % kidney, pelvic, heart fat (if available).

Rules:

1. Only current year Junior Livestock Show of Spokane market steers that go through the sale are eligible.

2. There must be a minimum of 10 eligible and qualifying steers in the contest for it to take place.

4. The entry fee is \$30, \$25 of which will go into the jackpot and \$5 for office/processing fee.

5. Entry forms and fees will only be accepted from the end of the market steer sale until 6:00 PM that same day. At the sale, there will be a designation of where the steer will be processed which will determine if it will be able to be hung in halves, not quarters, and be eligible for the contest.

6. Jackpot prize money will be paid from a minimum \$1000 added purse plus entry fees. Premiums will be awarded as follows:
1st—24%, 2nd—18%, 3rd—15%, 4th—10%, 5th—8%, 6th—7%,

STEER AWARDS

All awards must be applied for using application forms that are available in the Jr. Show office.

WASHINGTON STATE JUNIOR SIMMENTAL ASSOCIATION AWARD

\$65.00 to the highest placing Simmental heifer and \$35.00 to the second highest placing Simmental heifer.

WESTERN STATES ANGUS AUXILIARY AWARD

The Western States Angus Auxiliary, 2184 SOUTH, 1200 EAST, Bliss, ID 83314, will present an award to the outstanding 4-H exhibitor and/or outstanding FFA exhibitor. The selection of the winner is based on placing of individual animals, placing in showmanship, and educational display. The following point system must be followed: Conformation point placing--Grand Champion, 40; Reserve Champion, 30; 1st place, 20; 2nd place, 15; 3rd place, 10. Showmanship participation--6. Educational display promoting the Angus breed--25. If steers and breeding animals are both exhibited, points may be combined to select a winner. Winning of the Auxiliary trophy in previous years shall not exclude an exhibitor from winning it again.

OREGON-WASHINGTON-NORTHERN IDAHO HEREFORD ASSOCIATION AWARD

Oregon, Washington and Northern Idaho Hereford Breeders will present to an exhibitor of a purebred Hereford champion or reserve champion steer at a terminal show, a check for \$100. Information about the award and online form for registering can be found at www.ownihereford.com. The exhibitor must be from the OWNi area. Advance notice of the animal being shown at the show will hopefully allow enough time to get a representative to the show.

WASHINGTON SHORTHORN ASSOCIATION

The Washington Shorthorn Association offers \$50.00 to any exhibitor showing a Grand Champion Market Steer and \$25.00 to any exhibitor showing a Reserve Grand Champion Market Steer sired by a Shorthorn or Polled Shorthorn bull in either the 4-H or FFA division. Steers may be cross bred or purebred, but to qualify, a 5x7 picture and a statement from the breeder to the effect that the steer is from his Shorthorn bull. The registration number and the name of the bull need to be submitted to an officer of the Washington Shorthorn Association.

If the exhibitor wins Grand Champion, they or the breeder must contact a WSLA officer listed below for an information packet.
