

AFFIRMATIONS OF A WOMAN OF GOD

I am a beautiful woman of God
I am a capable, intelligent, and virtuous woman
I am far more precious than jewels
My value is far above rubies and pearls
Strength and dignity are my clothing
My position is strong and secure
I open my mouth with skillful and godly wisdom
The bread of idleness, gossip, discontent, and self-pity I will not eat
The beauty of this world is vain; but my beauty comes from
Reverently fearing the Lord
Each day I will focus on the present
I know that Gods grace is sufficient for every task
I surrender all disappointments, fears, and misunderstanding to the Lord
Forgetting those things which are behind I lay aside
every sin and weight that entangles me
I press on to the high prize of being a woman of God
I am strong in you Lord and in the power of your Holy Spirit
I am precious and elect
I am created for a purpose
God, you are my father, I am your precious daughter
Jesus you are my bridegroom and I am your beautiful bride
I am created in your image
I am a picture of your grace & love
I am your work of art
I am your greatest masterpiece
Amen
