Dear Sirs

Thank you for the time and courtesy extended to me from your colleague Nigel, during our telephone discussion today.

Please see below emails to Scott McPherson at the Ministry of Justice and Lord Justice Newey re the Court of Appeal.

As discussed.....In the above matter we seek direction and permission of the Supreme Court of the United Kingdom, to have this matter heard in the UK Supreme Court. If it does not grant permission or encourage the bank of Scotland to bring sufficient remedy to the defendants then we will submit our case to the World Court in the Hague.

We had a lawful right to have our case heard by the court of Appeal however they refused.(see attached Lord Justice Newey's ' Refusal' to Appeal dated 27.10.17) and the Defendants letter of response dated

30.10.17 confirmed as delivered) Lord Justice Newey ignored 313 pages of Affidavits and Annexes sworn under Oath and witnessed by one of the country's most senior and established Canon Lawyers Rev. C.Murtagh. We suggest therefore the said documents are now in the jurisdiction of and under the watchful eye of the Vatican.

This matter is now a serious matter of Public interest. Had the full and true facts been considered allowed and acted on it would prove beyond doubt that most if not all mortgages and loans in this country in fact the world are invalid and as such should be struck out with the borrowers being compensated.

The City of London National Fraud Intelligence Bureau has taken a statement from us under Crime reference Number NFRC170902001711 They have seen the evidence proving that the Bank of Scotland should NOT be taking this line with us.

We are having some difficulty with the application forms to submit the particulars of our Case to the Supreme Court. Your standard administration process requests details of our appeal which has been refused.

Kindly guide us to a separate form, or confirm that it is acceptable to supply the full particulars of our case with a personalised covering letter sent to the registry for the courts consideration.

This is a very serious complaint against the Bank of Scotland (LLOYDS) and is indeed now a serious matter of public interest (How can Fraud on this level not be?) I can confirm that The United Kingdom Supreme Court therefore does have jurisdiction in this matter, and we demand that this case is reviewed at the highest level.

HHJ Raeside's date on the Order for possession AND judgement of 31st October, has now passed. We are therefore in a state of limbo and further uncertainty and stress, until we can gain clarity and guidance from more senior powers, regards the lawfulness of the procedures and process of which we befallen victims.

We look forward to hearing from you.

Dear Scott

I note that I received no response to my previous letters, emails or telephone calls?

Please see the below email. I hope it doesn't make you choke on your cornflakes.

Your department is a shambles and a disgrace to all that it is supposed to stand for, Just - ICE.

I do hope that your conscience allows you to correct this buggers muddle before the matter gets out of hand. However if you do not intervene and request that the Bank makes a FULL disclosure to us, then your actions will be included in our reporting of this as a CRIMINAL matter.

Change is upon the World, and nothing will stop this steam train 'coming through'.

Dear Sirs

We refer to the attached order made
by Lord Justice Newey,
received on Friday 27th October
2017, sent by Oliur Rahman
of the HMCTS Court of
Appeal.

LLOYDS HBOS is trying to
steal the Defendants home,
equity, investment, pension
plan, businesses and or other
land and properties, without
any legal claim or paperwork
to support its actions. (That
the defendants have been able
to witness or verify)

We cannot accept the decision ‘Order’ as ‘Fair’ and or ‘Just.’

Lord Justice Newey has Prevaricated unauthorised practice of Law Legal Ethics and Legal Maxims, (Canon Law)

Lord Justice Newey has ignored the Defendants Affidavits and Annexes of fact, sworn under Oath as the truth and witnessed by a Canon Lawyer of the Vatican.

The Defendants Affidavits State that payment was made in full to the Claimants (Non Assumpsit) on the 15th October 2017. This was confirmed by the Claimant Lloyds HBOS when they engaged by responding to the Defendants.

Lord Justice Newey has ignored the Tort of Mifseance that was placed on HHJ Raeside.

The Defendants Bought the property in June 2001. The Land Registry shows records registered by the bank retrospectively on 12.10.2001, twelve months before the Land Property Act 2002, replaced the Land Charges Act 1925. The Defendants home Low Newbiggin Estate, should not have been registered in Land Registry in 2001.

The Bank of Scotland has No (Zero) legal claim over the property known as Low Newbiggin House, as it is not the holder of the original title deeds and it never has been.

The Bank of Scotland has registered illegal claims outside of the protocols of the Land Registry 14 day period for registration.

We charge Lord Justice Newey with ‘Tort of Misfeasance’ on the basis that in reaching his decision he has breached his oath to the Queen, and did not consider all the facts (as known and believed by and provided to the defendants) and so could not possibly consider his decision as ‘Fair and or Just’, the premise of his promise to under which to serve the United Kingdom Justice system.

We DEMAND that the order is recalled and that a different order by consent with the Defendants is raised, requesting that

1. LLOYDS HBOS retract their claim, and
2. enter immediate mediation NOT LATER than Friday the 3rd November 2017, to resolve this matter before a third party declare that this case is a ‘Matter of Public interest’
3. Declare that no possession order will be enforced for Low Newbiggin House NYK256562
4. LLOYDS HBOS remove all charges against Low Newbiggin House and Bohunt Manor Barn, Liphook GU30 7DL.
5. LLOYDS HBOS are Estopped from bringing any further charges or claims against Paul Michaels & Charlotte Michaels

6. LLOYDS HBOS remove all files and notes derogatory or otherwise from the defendants Credit Reference Agency files and mark them 'Satisfactory Settled'

Should the HMCTS Court of Appeal not agree to review their decision then TAKE NOTICE that this matter will be and submitted, concurrently to the Supreme court and to President Ronny Abraham at the World Court, The Hague Netherlands, in order to validate the Defendants case.

The defendants give LLOYDS HBOS until 1600 hours on Tuesday the 31th October, to retract the matter from the HMCTS, otherwise take FAIR WARNING, that this matter will be escalated as a Criminal matter and reported to the authorities as a crime.

PLEASE NOTE that as real and alive honest and honourable people it was not the Defendants that brought this matter before the court. Nor do we seek to do the bank and others harm in public. We are merely protecting what is rightfully ours and what we have worked diligently honestly and tirelessly for. That protection starts with seeking out those entities or persons whom may seek to bring harm to our **dignity and credibility**
