Ben - USCCA Concealed Carry - Instructor is highly knowledgeable, patient, and can work with novices through an expert. He covers the material thoroughly and is probably one of the top five trainers in the state of Florida. This is the best handgun and defensive course I have ever taken. I have taken seven courses that were similar but this training in the classroom and on the range was far superior. This instructor is in a class by himself -- exceptional in all aspects. Highly recommended.

Steve - USCCA Concealed Carry - One on one instruction was key to understanding all information, both in the classroom and on the range.

Anne - USCCA Concealed Carry - Jim really knows this subject.

Laura - USCCA Concealed Carry - Jim is very knowledgeable; answered all questions with, if possible, a "real life" example. A wealth of information in the course. Give yourself time to "digest" the information after the course each day. Also the handouts and publications supplied are excellent.
