

5 Programs to Choose From

I am excited to offer super-efficient and effective **Wellness & Excellence 30-Day Programs**.

What's so great about these programs is how *cost-effective* and *scalable* they are—in fact, my programs do what most B2B professional development programs can't do—they are available to family members, customers, clients, and patients.

Lauren's Unique Excellence & Wellness Program Benefits

- It's convenient: Lessons arrive on your desktop & are available on all mobile devices. No meetings. No fuss.
- It's quick: A daily 3-minute video learning lesson, followed by 5–7 minutes of reflection for insight and application. That's 10 minutes invested to create a more productive day.
- It's consistent: Each Program runs for 30 day—research shows consistency or ritual for 21–30 days is far more effective in creating change than “information dump.”
- It's captivating: Each cinematic video contains a story, lesson, and reflection activity to reinforce concepts and gain personal insights for growth and accountability.
- It's cumulative: Employees/customers/clients rate their progress and set daily intentions.
- It's collaborative: Employees/customers/clients can set reminders, start groups, and share encouragement.
- It's customizable: Your logo, key messaging, and monthly goals can integrate.
- It's cost-effective: You won't believe it ... less than \$1 a day (see below).
- It creates success: The program was developed in partnership with Avanoo, the leader in behavioral change video research.
