

**ZONTA CLUB OF MILFORD**  
**INLAND SEAS SCHOLARSHIP**

**(full-ride enrollment of approximately \$300.00)**

The Zonta Club of Milford is offering two Inland Seas scholarships to area young women interested in science, technology, engineering, and math (STEM).

This is a three-day research-based shipboard technological program departing from various ports in Michigan. Scholarship recipients go online and select their preferred dates and ports. Participants will eat, sleep, study, and work aboard the schooner. For more information about the onboard program go to [Isea@schoolship.org](mailto:Isea@schoolship.org).

**To apply for the Zonta Club of Milford Inland Seas Scholarship:** complete this form, add the requested attachments, and mail to the address below.

---

The Zonta Club of Milford is awarding two scholarships to area young women interested in the Inland Seas schoolship program. Preference will be given to high school sophomores and juniors who have shown an interest in science, technology engineering and math (STEM), and are prepared to learn boating safety, navigation, and sail handling.

**A. Please fill in the blanks for the following:**

Name	Email Address
Address	High School
